Rachel McMahon,2019-07-02 From BuzzFeed s quiz making genius a witty and irresistible collection of whip smart and pop culture savvy quizzes that reveals secrets and quirks you never knew about yourself Who hasn t clicked on an online quiz that suggests your choice of Pop Tart flavor or favorite Jonas brother will reveal your relationship status or hidden personality traits Hint hundreds of millions of people have done this and counting Perfect for all ages and backgrounds this fun light hearted and thought provoking collection features both brand new and popular quizzes directly from BuzzFeed s viral sensation Rachel McMahon Featuring additional irreverent commentary and breakdowns of quiz outcomes not previously published on such topics as who is your celebrity boyfriend based on what frozen yogurt you like to finding out whether you are more Phineas or Ferb based on your favorite sandwich toppings What Kind of Quiz Book Are You is an entertaining and laugh out loud collection like no other destined to become as addictive as coloring books Polyamorous Advice You Won't Get from Your Monogamous Friends Sam Cat,2025-04-29 The Ultimate Guide to Alternative Relationships I m sure your monogamous friends are lovely people and probably have some great advice about other topics But when it comes to non monogamy let s face it it s best to hear it from someone who s been there before Enter relationship advisor and polyamorous guru Sam Cat Sam s personal experience with polyamory alongside their work educating speaking with and supporting other non monogamous folks allows them to masterfully take on the role of a peer so you can finally have the answers to all your burning questions What relationship structure is best for me How do I tell my partner I want to open up Is it normal to feel jealous Should I be friends with my partner s partner Does more sex really equal more problems Featuring real life examples endless empathy and a touch of brutal honesty this book will give you and your partner s everything you need to start forming healthy respectful and emotionally fulfilling relationships that last Black Ops Advertising Mara Einstein,2016-09-01 From Facebook to Talking Points Memo to the New York Times often what looks like fact based journalism is not It s advertising Not only are ads indistinguishable from reporting the Internet we rely on for news opinions and even impartial sales content is now the ultimate corporate tool Reader beware content without a corporate sponsor lurking behind it is rare indeed Black Ops Advertising dissects this rapid rise of sponsored content a strategy whereby advertisers have become publishers and publishers create advertising all under the guise of unbiased information Covert selling mostly in the form of native advertising and content marketing has so blurred the lines between editorial content and marketing message that it is next to impossible to tell real news from paid endorsements In the 21st century instead of telling us to buy buy BUY marketers engage with us so that we share share SHARE the ultimate subtle sell Why should this concern us Because personal data personal relationships and our very identities are being repackaged in pursuit of corporate profits

Because tracking and manipulation of data make likes and tweets and followers the currency of importance rather than scientific achievement or artistic talent or information the electorate needs to fully function in a democracy And because we are being manipulated to spend time with technology to interact with friends to always be on even when it is to our physical and mental detriment
