Free Speech on Campus Erwin Chemerinsky, Howard Gillman, 2017-09-12 Can free speech coexist with an inclusive campus environment? Hardly a week goes by without another controversy over free speech on college campuses. On one side, there are increased demands to censor hateful, disrespectful, and bullying expression and to ensure an inclusive and nondiscriminatory learning environment. On the other side are traditional free speech advocates who charge that recent demands for censorship coddle students and threaten free inquiry. In this clear and carefully reasoned book, a university chancellor and a law school dean, both constitutional scholars who teach a course in free speech to undergraduates, argue that campuses must provide supportive learning environments for an increasingly diverse student body but can never restrict the expression of ideas. This book provides the background necessary to understanding the importance of free speech on campus and offers clear prescriptions for what colleges can and can't do when dealing with free speech controversies. *The Online Journalism Handbook* Paul Bradshaw, 2023-07-28 The Online Journalism Handbook offers a comprehensive guide to the ever-evolving world of digital journalism, showcasing the multiple possibilities in researching, writing, and storytelling provided by new technologies. Experimenting with Religion Jonathan Jong,2023 This book showcases several experiments as examples of how psychologists can study religion and spirituality casting a light on both the ingenuity and limitations of each Ultimately this book demonstrates that such scientific experiments are works of imagination that can help us discover truths about the human mind s proclivity for religious ideas as long as we can adapt and learn along the way The Life Fantastic Noa Menhaim,2022-07-12 Explore the sprawling network of culture to discover the incredible ways in which ideas connect to shape the world we see today These mind blowing essays dig down to the roots of stories myths and literary genres travelling from art to politics to history to folklore and from high to popular culture and back again Through an intricate web of sidenotes embark on a voyage of discovery from the unluckiest book ever made to Viking horned helmets to the sex life of vampires or from mermaids frolicking in the margins to the ancient Amazons to the power of Amazon and on to Utopia and Atlantis This is western culture as you ve never seen it before **Gender Identity** Cynthia L. Winfield,2019-07-15 What does it mean to be male What does it mean to be female In contemporary culture such distinctions have increasingly been regarded as much too narrow to cover the entire spectrum of humanity Over the past few decades thousands of individuals have bravely declared their true identities and refused to be boxed into what society has dictated It has become increasingly important especially for those coming into adulthood to go beyond the concepts of gay lesbian straight and bisexual when examining gender In Gender Identity The Ultimate Teen Guide Cynthia L Winfield encourages readers to reject the notion that male or female designations fit all The author examines how gender lines have been crossed as a growing number of individuals including young adults have found the courage to express and celebrate their authentic selves In this book Winfield addresses Differences between biological sex sexual orientation gender identity and gender expressionLegal protections for those outside the narrowly defined gender normsPublic debate and shifting views about gender identityWays readers can make society more cognizant and inclusive of gender variant individuals In addition to providing a well grounded introduction to lesbian gay bisexual transgender queer or questioning intersex and asexual persons and issues this book allows contemporary teens and young adults to voice their experiences As more and more public figures from actress Laverne Cox to Olympic athlete turned reality television star Caitlyn Jenner have shared their stories it s just as important for everyday people to identify who they are This second edition of Gender Identity The Ultimate Teen Guide is a much needed

update of an important topic and will be of interest to young adults their families and friends and the community at large
