Walker,2022-09-05 YouTube has grown into an influential social media platform What started out as a fun medium of introducing the world to three dimensional interaction has now turned into a powerful tool of marketing Just like in every other social media channel the secret to success is getting a following or audience to broadcast your videos to The more views you get the more popular your videos will be and the greater success you will have in ranking highly in the search results Nowadays people do not just go on YouTube to watch some funny clips of people falling down cute cats purring or babies hilariously laughing It has grown into an extensive platform for the distribution and exchange of valuable information from make up tips cooking to practically anything under the sun It offers a variety of channels and videos that provide entertainment curiosity amazement and learning YouTube is now known to be a great way to be famous and earn money just by making videos from the comfort of your bedroom Some of today s well known YouTube personalities became millionaires because of their being successful at establishing and building their channel and fan base hope that by learning the strategies mentioned in this book you be able to put them into practice and start working your way up to building your career and hopefully someday you too could earn a lot of cold hard cash by becoming the next YouTube star Good luck *The Audience and Business of YouTube and Online Videos* Louisa Ha,2018-06-06 The Audience and Business of YouTube and Online Videos is a thorough analysis of YouTube audiences and creators of online videos that considers how the coexistence of user generated and professional media content on YouTube makes the site a unique platform in the ever expanding online video industry Using a mixed method approach the authors examine the underexplored business side of YouTube with a focus on product review videos brand videos sponsored videos and online video advertising This book also addresses recent developments such as YouTube Red subscription pay TV and movie services and discusses the future of online video audience research Recommended for scholars interested in media studies communication marketing and popular culture **The Social Media Revolution** Jarice Hanson,2016-05-23 Social media shapes the ways in which we communicate think about friends and hear about news and current events It also affects how users think of themselves their communities and their place in the world This book examines the tremendous impact of social media on daily life When the Internet became mainstream in the early 2000s everything changed Now that social media is fully entrenched in daily life contemporary society has shifted again in how we communicate behave as consumers seek out and enjoy entertainment and express ourselves Every one of the new applications of social media presents us with a new way of thinking about the economy that supports technological development and communication content and offers new models that challenge us to think about the economic impact of communication in the 21st century The Social Media Revolution examines the tremendous influence of social media on how we make meaning of our place in the world The book emphasizes the economic impacts of how we use the Internet and World Wide Web to exchange information enabling readers to see how social media has taken root and challenged previous media industries laws policies and social practices Each entry in this useful reference serves to

document the history impact and criticism of every subject and shows how social media has become a primary tool of the 21st century world one that not only contributes to our everyday life and social practices but also affects the future of business The coverage of topics is extremely broad ranging from economic models and concepts relevant to social media such as e commerce crowdfunding the use of cyber currency and the impact of freeware to key technologies and devices like Android and Apple iOS apps the cloud streaming and smartphones and tablets to major entrepreneurs inventors and subjects of social media such as Julian Assange Bill Gates Steve Jobs Marissa Mayer Edward Snowden Steve Wozniak and Mark Zuckerberg

The Social Organism Oliver Lockett, Michael Casey, 2016-11-15 A must read for business leaders and anyone who wants to understand all the implications of a social world Bob Iger Chairman and Chief Executive Officer of The Walt Disney Company From tech visionaries Oliver Lockett and Michael J Casey a groundbreaking must read theory of social media how it works how it s changing human life and how we can master it for good and for profit In barely a decade social media has positioned itself at the center of twenty first century life The combined power of platforms like Facebook Twitter Instagram Snapchat and Vine have helped topple dictators and turned anonymous teenagers into celebrities overnight In the social media age ideas spread and morph through shared hashtags photos and videos and the most compelling and emotive ones can transform public opinion in mere days and weeks even attitudes and priorities that had persisted for decades How did this happen The scope and pace of these changes have left traditional businesses and their old guard marketing gatekeepers bewildered We simply do not comprehend social media s form function and possibilities It s time we did In The Social Organism Lockett and Casey offer a revolutionary theory social networks to an astonishing degree mimic the rules and functions of biological life In sharing and replicating packets of information known as memes the world s social media users are facilitating an evolutionary process just like the transfer of genetic information in living things Memes are the basic building blocks of our culture our social DNA To master social media and to make online content that impacts the world you must start with the Social Organism With the scope and ambition of The Second Machine Age and James Gleick s The Information The Social Organism is an indispensable guide for business leaders marketing professionals and anyone serious about understanding our digital world a guide not just to social media but to human life today and where it is headed next

Over the Influence Kara Alaimo, 2024-03-05 A feminist rallying cry for women to recognize and reject the ways social media is being weaponized against us and instead wield it to empower ourselves Actionable solutions for women parents and educators to fight online disinformation sexism and misogyny so we can create healthier digital spaces for girls and teens In Over the Influence communication professor and CNN Opinion contributor Kara Alaimo reveals how social media is affecting every aspect of the lives of women and girls from our relationships and our parenting to our physical and mental well being Over the Influence is a book about what it means to live in the world social media has wrought whether you re constantly connected or have deleted your accounts forever Alaimo explains Why you re likely to get fewer followers if you re a woman

How fake news is crafted to prey on women's vulnerabilities Why so much of the content we find in our feeds is specifically designed to hold us back How social media has made the offline world an uglier place for women But we can change this Alaimo offers up brilliant advice for how to get over the influence including How to handle our daughters use of social media Tips for using dating apps to find the partners we're looking for How we can use social networks to bolster our careers Ways to protect ourselves from sextortionists catfishers and trolls What we need to demand from lawmakers and tech companies Over the Influence calls on women to recognize and call out the subtle and not so subtle sexism and misogyny we find online reject misinformation that is targeted to us because of our gender and use our platforms to empower ourselves and other women

The True Story of Fake News Mark Dice, 2017-11-03 Is fake news being spread through social media as part of an information war Are political operatives publishing disinformation to smear the opposition and help their own agendas Who creates fake news how does it spread and can it be stopped What are the real world effects of fake news stories that go viral Did it affect the outcome of the 2016 presidential election Or is fake news a fake problem designed to justify tighter control over the mechanisms of sharing information online to drive audiences back to brand name media outlets because their audiences and influence are dwindling Media analyst Mark Dice takes a close look at the fake news phenomenon and the implications of mega corporations like Facebook Google and Twitter becoming the ultimate gatekeepers and distributors of news and information You will see the powerful and deceptive methods of manipulation that affect us all as numerous organizations and political activists cunningly plot to have their stories seen heard and believed by as many people as possible The depths of lies distortions and omissions from traditional mainstream media will shock you and now they're colluding with the top tech companies trying to maintain their information monopolies This is The True Story of Fake News
