40 Questions About the Historical Jesus C. Marvin Pate, 2015-04-27 Answers to critical questions regarding the study of the Jesus of history and the Christ of faith The conclusions of the quest for the historical Jesus which casts the majority of Christ's life as a myth are a stark contrast to the orthodox view of Christ as presented in the Bible Pate demonstrates that a critical analysis of the gospel text along with historical and cultural methods of investigation actually point toward an orthodox view of Christ This work argues that the canonical Gospels are the most trustworthy information we have about the gospel writers as well as the life and ministry of Jesus including his death visit to hades resurrection and ascension Readers will be encouraged by the reliability of the Gospel writers the reality of Jesus humanity and deity and the inferiority of the apocryphal gospels

How to Preach the Prophets for All Their Worth Andrew G. M. Hamilton, 2022-05-24 The Old Testament prophetic books play a key role in revealing God's plan of salvation They occupy a significant portion of the biblical canon similar in size to the entire New Testament Yet most believers stay clear of this part of Scripture They avoid traveling through this forest of oracles and visions Many preachers also struggle to navigate this unfamiliar territory Preachers feel much more at ease unpacking the intricate arguments of the Pauline epistles or following the thrilling adventures of biblical narratives rather than exploring the prophetic books The church however needs to hear and respond to the beauty depth and relevance of the prophetic message This book not only provides convincing reasons for preaching the prophets today but also offers concrete guidelines to empower preachers small group leaders youth workers etc to communicate the message of the prophets with hermeneutical precision theological depth genre sensitivity and pastoral pulse This book motivates and equips preachers to

travel with confidence through this uncharted territory and to help God's people enjoy the scenery of this part of God's word

Scott Duvall, 2025-03-25. A Theology of Revelation by J. Scott Duvall in Zondervan's Biblical Theology of the New Testament series provides a comprehensive look at the theology of John's Apocalypse. One of only a few dedicated theologies of Revelation, Duvall's book leaves no stone unturned in the study of the final book of the Christian canon of Scripture. This thoroughly researched study includes an investigation into the historical framework of the book, authorship, date, and occasion; a survey of literary, theological, foundations, genre, text, and canonicity; grammar and symbolic language; use of the Old Testament literary structure and interpretation; and a full literary theological reading of the book, culminating in an exploration of the book's most significant theological themes: God, Jesus Christ, the Holy Spirit, the people of God, worship, discipleship, salvation, God's judgment of evil, and the new creation. Readers will find here a study that is clearly written, attentive to the historical literary context, with special attention given to the primary theological themes in the book. Perhaps above all, readers will have their hope in God and His amazing plan reinforced and strengthened.
