An Abundance Of Graces Reflections On Sacrosanctum Concilium Studies Series:

An Abundance of Graces Pamela Jackson, 2004 This thought provoking scholarly commentary takes a retrospective look at Sacrosanctum Concilium It discusses the impact of pre Vatican II liturgical reformers analyzes the implementation of Vatican II reforms in the light of the documents and examines the beauty and richness of Sacrosanctum Concilium An Introduction to Vatican II as an Ongoing Theological Event Matthew Levering, 2017 Contemporary scholars often refer to the event of Vatican II but what kind of an event was it In this first book of the new CUA Press series Sacra Doctrina Matthew Levering leads his readers to see the Council as a theological event a period of confirming and continuing God's self revelation in Christ into a new historical era for the Church This is an introduction to Vatican II with a detailed summary of each of its four central documents the dogmatic constitutions followed by explanations of how to interpret them In contrast to other introductions which pay little attention to the theological soil in which the documents of Vatican II germinated Levering offers a reading of each conciliar Constitution in light of a key theological author from the era Ren Latourelle SJ for Dei Verbum persons and propositions Louis Bouyer CO for Sacrosanctum Concilium active participation Yves Congar OP for Lumen Gentium true and false reform and Henri de Lubac SJ for Gaudium et Spes nature and grace This theological event is ongoing Levering demonstrates by tracing in each chapter the theological debates that have stretched from the close of the council till the present and the difficulties the Church continues to encounter in encouraging an ever deeper participation in Jesus Christ on the part of all believers In this light the book's final chapter compares the historicist Massimo Faggioli and Christological Robert Imbelli interpretations of Vatican II arguing that historicism can undermine the Council's fundamental desire for a reform and renewal rooted in Christ The conclusion addresses the concerns about secularization and loss of faith raised after the Council by Henri de Lubac Joseph Ratzinger and Yves Congar arguing that contemporary Vatican II scholarship needs to take these concerns more seriously **Vatican II** Matthew L Lamb, Matthew Levering, 2008-04-30 In Vatican II Renewal Within Tradition an international team of theologians challenges the standard view of the Council as causing a rupture with earlier Catholic teaching Examining each document issued they argue that The Council was indeed putting forth a vision for the future of the Church but that vision was grounded in two millennia of tradition Taken together these essays demonstrate that Vatican II's documents are a development from an established antecedent in the Roman Catholic Church Each chapter contextualizes Vatican II teachings within that rich tradition **The Catholic Periodical and Literature Index** , 2005 The Theological Keys of Sacrosanctum Concilium Kevin W.
