Beyond the Edge Andrew Mayes, 2013-11-21 Jesus calls his disciples to follow him but where does he lead us Responding to Jesus summons we find ourselves leaving familiar certainties and securities behind as we step out boldly in faith Old boundaries dissolve as we are led into liminal spaces exhilarating situations new places of discovery and radical spiritual growth In such experiences Christ reveals himself to us anew The place of risk is the threshold of the divine Beyond the Edge is for people who wish to go deeply into the spiritual life for spiritual directors and for those who walk with others on their prayer journey It can be used individually or in groups

Millennial Missionaries Katherine Dugan, 2019 Millennials in the U S have been characterized as uninterested in religion as defectors from religious institutions and as agnostic about the role of religious identity in their culture Amid the rise of so called nones though there has also been a countervailing trend an increase in religious piety among some millennial Catholics The Fellowship of Catholic University Students FOCUS which began evangelizing college students on American university campuses in 1998 hires recent college graduates to evangelize college students and promote an attractive and culturally savvy Catholicism These millennial Catholics have personal relationships with Jesus attend Mass daily and know and defend papal teachings while also being immersed in U S popular culture With their skinny jeans devotional tattoos and large framed glasses FOCUS missionaries embody a hip attractive style of Catholicism They promote a faith that interweaves distinctly Catholic identity with outreach methods of twentieth century evangelical Protestants and the anxieties of middle class emerging adulthood Though this new generation of missionaries lives according to strict gender essentialism prescribed by papal teachings including the notions that men lead while women follow and that biology dictates gender roles they also support stay at home fatherhood and women earning MBAs Millennial Missionaries examines how these young people navigate their Catholic and American identities in the twenty first century Illuminating the ways missionaries are reshaping American Catholic identity Katherine Dugan explores the contemporary U S religious landscape from the perspective of millennials who proudly proclaim I am Catholic and devote years of their lives to convincing others to do the same

Another Christ Andrew D. Mayes, 2024-08-30 This is a riveting book with bite an exploration with edginess Compelling and arresting images confront us with a fresh view of Jesus and of ourselves as we rediscover our vocation to be Another Christ for troubled times Recent research into the first century setting of the gospel and the author s years in the Holy Land cast unexpected light on both the identity of Jesus and our present calling while Francis of Assisi reveals how this can be creatively lived out We have a choice If we keep before our eyes images of Christ that are comforting soothing familiar traditional then our Christian life may turn out to be prosaic pedestrian and predictable a preservative to maintain the status quo But if we allow our discipleship today to be unsettled and inspired by images of Christ that are dynamic risky outrageous brave passionate radical then we open

ourselves to new possibilities we embark on a liberating adventure an odyssey of the soul a pilgrimage a voyage into untested waters What will we choose Do we dare to take the unpredictable path And which route will respond most courageously to the needs of today s wounded world
