An Introduction To Australian Public Policy Theory And Practice:

An Introduction to Australian Public Policy Sarah Maddison, Richard Denniss, 2013-02-13 Examines the models influences and players that shape public policy in Australia addressing both theory and real world challenges Politics, Policy and Public Administration in Theory and Practice Andrew Podger, Michael de Percy, Sam Vincent, 2021-06-15 This festschrift celebrates the extensive contribution John Wanna has made to the research and practice of politics policy and public administration It includes both personal acknowledgements of his work and substantial essays on the issues that he focused most closely upon during his academic career budgeting and financial management politics and public policy and administration The essays address contemporary developments in public sector financial management in Australia and overseas changing political processes in Queensland and the Commonwealth and public governance and administration reform trajectories in Australia and internationally including in China A common theme is the importance of linking research to practice reflecting John Wanna's own style and contribution Essays include exploration of the interface between academia and practice including from the perspective of practitioners The authors of the essays in this volume include eminent Australian and international scholars of public administration experienced public service practitioners and younger scholars influenced by John Wanna

The Australian Policy Handbook Catherine Althaus, Sarah Ball, Peter Bridgman, Glyn Davis, David Threlfall, 2022-12-21 The seventh edition of this classic handbook on the policy process is fully updated featuring new material on policy making amid local and global disruption the contestable nature of modern policy advice commissioning and contracting public engagement and policy success and failure The Australian Policy Handbook shows how public policy permeates every aspect of our lives It is the stuff of government justifying taxes driving legislation and shaping our social services Public policy gives us roads railways and airports emergency services justice education and health services defence industry development and natural resource management While politicians make the decisions public servants provide analysis and support for those choices This updated edition includes new visuals and introduces a series of case studies for the first time These cases covering family violence behavioural economics justice reinvestment child protection and more illustrate the personal and professional challenges of policymaking practice Drawing on their extensive practical and academic experience the authors outline the processes used in making public policy They systematically explain the relationships between political decision makers public service advisers community participants and those charged with implementation The Australian Policy Handbook remains the essential guide for students and practitioners of policy making in Australia

Learning Policy, Doing Policy Trish Mercer, Russell Ayres, Brian Head, John Wanna, 2021-03-18 When it comes to policymaking public servants have traditionally learned on the job with practical experience and tacit knowledge valued over theory based learning and academic analysis Yet increasing numbers of public servants are undertaking policy training through postgraduate qualifications and or through short courses in policy training Learning Policy Doing Policy

explores how policy theory is understood by practitioners and how it influences their practice The book brings together insights from research teaching and practice on an issue that has so far been understudied Contributors include Australian and international policy scholars and current and former practitioners from government agencies The first part of the book focuses on theorising teaching and learning about the policymaking process the second part outlines how current and former practitioners have employed policy process theory in the form of models or frameworks to guide and analyse policymaking in practice and the final part examines how policy theory insights can assist policy practitioners In exploring how policy process theory is developed taught and taken into policymaking practice *Learning Policy Doing Policy* draws on the expertise of academics and practitioners and also pracademics who often serve as a bridge between the academy and government It draws on a range of both conceptual and applied examples Its themes are highly relevant for both individuals and institutions and reflect trends towards a stronger professional ethos in the Australian Public Service This book is a timely resource for policy scholars teaching academics students and policy practitioners *Australian Social Policy and the Human Services* Ed Carson, Lorraine Kerr, 2020-08-31 Social policy encompasses the study of social needs policy development and administrative arrangements aimed at improving citizen wellbeing and redressing disadvantage *Australian Social Policy and the Human Services* introduces readers to the mechanisms of policy development implementation and evaluation This third edition emphasises the complexity of practice examining the links and gaps between policy development and implementation and encouraging readers to develop a critical approach to practice The text now includes an overview of Australia's political system and has been expanded significantly to cover contemporary issues across several policy domains including changes in labour market structure homelessness mental health and disability child protection and family violence education policy Indigenous initiatives conceptualisations of citizenship and the rights of diverse groups and populations Written in an engaging and accessible style *Australian Social Policy and the Human Services* is an indispensable resource for students and practitioners alike *Policy Analysis in Australia* Brian Head, Kate Crowley, 2018-03-01 *Policy Analysis in Australia* offers a distinctly Australian interpretation of policy scholarship with eighteen chapters strongly reflecting the outstanding contributions of Australian scholars to the field of public policy It provides a coherent overview of the strengths and opportunities for policy analysis in Australia It recognises that government agencies are no longer regarded as the sole source of sound policy analysis and takes a broad view of policy analysis capacity both within institutions at all levels of government and beyond government in the media political parties business and non government associations It provides a valuable contribution to Australian scholarship about policy analysis in academic professional teaching and learning contexts and is a key addition to research and teaching in comparative policy analysis and policy studies more generally **From Resistance to Reform** Philip Mendes, 2025-10-27 Arguing that governments should introduce policy development processes and networks that include active engagement with knowledge from domestic and global research studies this is critical

reading for scholars and policymakers internationally on the dynamics of policy initiatives outcomes and reform

Handbook of Indigenous Public Policy Sheryl Lightfoot, Sarah Maddison, 2024-02-12 This ground breaking Handbook explores the key legal political and policy questions concerning the implementation of Indigenous rights across the world Expert contributors analyse the complex dynamics of contestation engagement advocacy and refusal between governments and Indigenous Peoples presenting a profound challenge to mainstream policy scholarship

Creating and Implementing Public Policy Gemma Carey, Kathy Landvogt, Jo Barraket, 2015-12-14 In order to address major social policy problems governments need to break down sectoral barriers and create better working relationships between practitioners policymakers and researchers Currently major blockages exist and stereotypes abound Academics are seen as out of touch and unresponsive policymakers are perceived to be justifying policy decisions and the community sector seeks more funding without demonstrating efficacy These stereotypes are born out of a lack of understanding of the work and practices that exist across these three sectors Drawing on ground breaking research and partnerships with contributions from senior public servants this book explores the competing demands of different actors involved in policy change It challenges current debates assumptions and reflects a unique diversity of experiences Combined with differing theoretical perspectives it provides a uniquely practical insight for those seeking to influence public policy This innovative text provides essential reading for community sector practitioners academics and advanced level students in public policy social policy and public administration as well as for public service professionals

Belief and Religion in Barbarian Europe c. 350-700 Marilyn Dunn, 2013-11-28 This ground breaking study offers a new paradigm for understanding the beliefs and religions of the Goths Burgundians Sueves Franks and Lombards as they converted from paganism to Christianity between c 350 and c 700 CE Combining history and theology with approaches drawn from the cognitive science of religion *Belief and Religion in Barbarian Europe* uses both written and archaeological evidence to challenge many older ideas Beginning with a re examination of our knowledge about the deities and rituals of their original religions it goes on to question the assumption that the Germanic peoples were merely passive recipients of Christian doctrine arguing that so called Arianism was first developed as an entry level Christianity for the Goths Focusing on individual ethnic groupings in turn it presents a fresh view of the relationship between religion and politics as their rulers attempted to opt for Catholicism In place of familiar debates about post conversion pagan survivals contemporary texts and legislation are analysed to create an innovative cognitive perspective on the ways in which the Church endeavoured to bring the Christian God into people s thoughts and actions The work also includes a survey of a wide range of written and archaeological evidence contrasting traditional conceptions of death afterlife and funerary ritual with Christian doctrine and practice in these areas and exploring some of the techniques developed by the Church for assuaging popular anxieties about Christian burial and the Christian afterlife
