An Introduction to International Criminal Law and Procedure Robert Cryer, Håkan Friman, Darryl Robinson, Elizabeth Wilmschurst, 2007-06-14 International criminal law has developed considerably in the last decade and a half resulting in a complex and re invigorated discipline This has impacted directly on the popularity of the study of the subject particularly on postgraduate law degrees This textbook serves these courses by providing an introduction to the principles of international criminal law and processes Written by four international lawyers with experience of teaching international criminal law it is accessible yet sophisticated in its approach It covers substantive international criminal law the institutions designed to enforce it and their procedures and the international law applicable to domestic prosecutions of international crimes It will be essential reading for students and teachers of international criminal law In addition practitioners and researchers in the field and in related fields such as criminal law students of international law and international relations will find this introduction invaluable

An Introduction to the International Criminal Court William A. Schabas, 2017-01-11 The International Criminal Court ushered in a new era in the protection of human rights The Court prosecutes genocide crimes against humanity war crimes and the crime of aggression when national justice systems are either unwilling or unable to do so themselves This fifth edition of the seminal text describes a Court which is no longer in its infancy the Court is currently examining situations that involve more than twenty countries in every continent of the planet This book considers the difficulties in the Court's troubled relationship with Africa the vagaries of the position of the United States and the challenges the Court may face as it confronts conflicts around the world It also reviews the history of international criminal prosecution and the Rome Statute Written by a leading commentator it is an authoritative and up to date introduction to the legal issues involved in the creation and operation of the Court

The International Criminal Court Andrew Novak, 2015-03-11 This book is about the International Criminal Court ICC a new and highly distinctive criminal justice institution with the ability to prosecute the highest level government officials including heads of state even in countries that have not accepted its jurisdiction The book explores the historical development of international criminal law and the formal legal structure created by the Rome Statute against the background of the Court's search for objectivity in a political global environment The book reviews the operations of the Court in practice and the Court's position in the power politics of the international system It discusses and clarifies all stages of an international criminal proceeding from the opening of the investigation to sentencing reparations and final appeals in the context of its restorative justice mission Making appropriate comparisons and contrasts between the international criminal

justice system and domestic and national systems the book fills a gap in international criminal justice study **An Introduction to the Law of International Criminal Tribunals** Geert-Jan Knoops,2014-09-11 In An Introduction to the Law of International Criminal Tribunals Geert Jan Alexander Knoops offers an overview of the basic topics in international criminal law ICL It discusses main characteristics of International Criminal Tribunals ICTs as well as definitions of international crimes The book will delve into issues of jurisdiction and complementarity liability principles and specialized defences Other topics are due process rights evidence trials in absentia and State cooperation A new chapter is devoted to the geopolitical effects of international criminal prosecutions The second revised edition includes a chapter on the new crime of aggression and is updated with the most recent developments in ICL The book is essential to everyone becoming familiar with the basic topics and challenges within ICL **The International Criminal Court - An International Criminal World Court?** Sarah Babaian,2018-05-31 This book provides an analysis of whether the International Criminal Court can be regarded as an International Criminal World Court capable of exercising its jurisdiction upon every individual despite the fact that not every State is a Party to the Rome Statute The analysis is based on a twin pillar system which consists of a judicial and an enforcement pillar The judicial pillar is based on the most disputed articles of the Rome Statute its goal is to determine the potential scope of the Court s strength through the application of its jurisdiction regime The enforcement pillar provides an analysis of the cooperation and judicial assistance mechanism pursuant to the Rome Statute s provisions and its practical implementation through States practices The results of the analysis and the lack of an effective enforcement mechanism demonstrate that the ICC cannot in fact be considered a criminal world court In conclusion possible solutions are presented in order to improve the enforcement pillar of the Court so that the tremendous strength of the ICC s judicial pillar and with it the exercise of worldwide jurisdiction can be effectively implemented *An Introduction to International Criminal Law and Procedure* Robert Cryer,2010-05-27 This market leading textbook gives an authoritative account of international criminal law and the investigation and prosecution of crime and guides the reader through controversies with an accessible and sophisticated approach Now covers developments in the ICC victims rights alternatives to international criminal justice and has extended coverage of terrorism *Routledge Handbook of International Criminal Law* ,2015

The International Criminal Court and National Courts Nidal Nabil Jurdi,2016-03-03 This book analyzes the position of the ICC in relation to national court systems The research illustrates that what seemed to be a straight forward relationship between the ICC and national courts under the complementarity mechanism proves to be much more complex in practice Using the referrals of Uganda and Darfur the book demonstrates ways in which it might be possible to prosecute for crimes currently not prosecuted by the ICC and brings to light possible solutions to overcome the gaps in law and practice in the jurisdictional relation between the ICC and national systems It will be of value to academics students and policy makers working in the area of international law international organizations and human rights
