Another Lousy Day In Paradise And Dances With Trout

John Gierach

Another Lousy Day In Paradise And Dances With Trout:

Another Lousy Day in Paradise and Dances with Trout John Gierach, 2011-04-19 Brilliant witty perceptive essays about fly fishing the natural world and life in general by the acknowledged master of fishing writers For the first time two of John Gierach's most popular fishing books are collected in one volume a double dose of delight for longtime fans or first time visitors to Gierach country As Gierach astutely observes in Dances with Trout Fly fishing is solitary contemplative misanthropic scientific in some hands poetic in others and laced with conflicting aesthetic considerations It's not even clear if catching fish is actually the point This observation might also describe Gierach's writing catching fish might be the subject but most of the fun and misadventure comes well before that point Whether it's fishing close to home waters Colorado or farther afield Alaska Scotland Texas ice fishing tournament fishing or night fishing fishing for trout salmon carp splake or grayling fishing with familiar companions like A K Best or the enigmatic Zen master among fishing guides no detail of the fishing life is too insignificant or too absurd for Gierach As he writes in Another Lousy Day in Paradise The real truth about fly fishing is it is beautiful beyond description in almost every way and when a certain kind of person is confronted with a certain kind of beauty they are either saved or ruined for life or a little bit of both So start reading and be saved or ruined by Gierach's wonderful insights into the world around us

Another Lousy Day in Paradise John Gierach, 1997-06-09 Acclaimed outdoor writer John Gierach invites fly fishermen nature lovers and everyone who enjoys great writing to partake in this collection of wonderfully witty perceptive observations on fishing and life Serialized in American Way Colorado Outdoors and the Fort Wayne Journal Gazette Line drawings

Fool's Paradise John Gierach, 2008-05-06 Brilliant witty perceptive essays about fly fishing the natural world and life in general by the acknowledged master of fishing writers If John Gierach is living in a fool's paradise then it's a paradise that his regular readers will recognize and new fans will delight in discovering Laced with the inimitable blend of wit and wisdom that have made him fly fishing's foremost scribe Fool's Paradise chronicles the fishing life in all its glory catching your biggest fish ever and squalor being stranded in a tent during a soaking rainstorm In Gierach's world both experiences are valuable and perhaps inevitable Fishermen everywhere will understand Gierach's quest to discover and explore new waters and then not to divulge the best locations to anyone the unlikely appeal of winter fly fishing or his dismay at encroaching development You never get to point at a meadow full of browsing mule deer and say You know all this was once condos Braving trips on small prop planes and down Oh My God roads Gierach and his fishing buddies pursue bull trout in British Columbia steelhead in the Rocky Mountains and pike so fierce that a wise fisherman wears Kevlar gloves for the obligatory trophy photo Equal parts fishing lore philosophy and great fish stories Fool's Paradise may not be a perfect substitute for actually being out on the water but it's surely the next best thing

All the Time in the World John Gierach, 2024-03-19 Discover the answer to life's most pressing problems through the joy of fly fishing from master philosopher John Gierach the dean of fly fishing Kirkus Reviews who is arguably the best

fishing writer working The Wall Street Journal Once again John Gierach tells the world why the pastime of fly fishing makes so much sense except when it doesn't In this shrewd perceptive and wryly funny The Wall Street Journal book he recalls the joys of landing that trout he's been watching for the last hour and then losing an even fatter one a little later Joy and frustration mix in Gierach's latest appreciation of the fly fishing life as he takes us from his home waters on the Front Range of the Rockies in Colorado to the fishing meccas all over North America From fishing lodges in Alaska to memories of the local creek in the Midwest where he grew up Gierach celebrates the indispensability of the natural world around us

Dances With Trout John Gierach, 2010-05-11 Brilliant witty perceptive essays about fly fishing the natural world and life in general by the acknowledged master of fishing writers With the wry humor and wit that have become his trademark John Gierach writes about his travels in search of good fishing and even better fish stories In this new collection of essays on fishing and hunting Gierach discusses fishing for trout in Alaska for salmon in Scotland and for almost anything in Texas He offers his perceptive observations on the subject of ice fishing getting lost fishing at night tournaments and the fine art of tying flies Gierach also shares his hunting technique which involves reading a good book and looking up occasionally to see if any deer have wandered by Always entertaining often irreverent and illuminating Gierach invites readers into his enviable way of life and effortlessly sweeps them along As he writes in *Dances with Trout* Fly fishing is solitary contemplative misanthropic scientific in some hands poetic in others and laced with conflicting aesthetic considerations It's not even clear if catching fish is actually the point

Trout Bum John Gierach, 2013-09-01 *Trout Bum* is a fresh contemporary look at fly fishing and the way of life that grows out of a passion for it The people the places and the accoutrements that surround the sport make a fishing trip more than a set of tactics and techniques John Gierach a serious fisherman with a wry sense of humor show us just how much more with his fishing stories and a unique look at the fly fishing lifestyle *Trout Bum* is really about why people fish as much as it is about how they fish and it is ultimately about enduring values and about living in a harmony with our environment Few books have had the impact on an entire generation that *Trout Bum* has had on the fly fishing world The wit warmth and the easy familiarity that John Gierach brings to us in *Trout Bum* is as fresh and engaging now as when it was first published twenty five years ago There's no telling how many anglers have quit their jobs and headed west after reading the first edition of this classic collection of fly fishing essays

No Shortage of Good Days John Gierach, 2012-04-24 A collection of fly fishing essays reflect the author's visits to regions ranging from the Smokies to the Canadian Maritimes where he explored such interests as fishing etiquette mosquitoes and the charms of third rate streams

Even Brook Trout Get The Blues John Gierach, 2010-05-11 Brilliant witty perceptive essays about fly fishing the natural world and life in general by the acknowledged master of fishing writers Once an angler has become serious about the sport and serious is the word that's used he'll never again have enough tackle or enough time to use it And his nonangling friends and family may never again entirely recognize him either In other words he or she will have entered Gierach territory

And fishermen who choose to brave the crowds at the big hold commune with the buddies at the family pool or even wade into questionable waters in the dark of night are sure to recognize themselves in Even Brook Trout Get the Blues Whether debating bamboo versus graphite rods describing the pleasure of fishing in pocket waters or during a spring snow in the mountains or recounting a trip in pursuit of the fascinatingly ugly longnose gar Gierach understands that fly fishing is more than a sport It s a way of life in which patience is mostly rewarded the rhythms of the natural world are appreciated and the search for the perfect rod or ideal stream is never ending It is not a life without risks for as Gierach warns This perspective on things can change you irreparably If it comes to you early enough in life it can save you from ever becoming what they call normal Even Brook Trout Get the Blues will convince you that normal is greatly overrated Still Life with Brook Trout John Gierach,2007-11-01 In these brilliant witty perceptive essays about fly fishing the natural world and life in general John Gierach the acknowledged master of fishing writers demonstrates that fishing when done right is as much a philosophical pursuit as a sport Gierach travels to Wyoming and Maine and points in between searching out new fly fishing adventures and savoring familiar waters with old friends Along the way he meditates on the importance of good guides Really the only thing a psychiatrist can do that a good guide can t is write prescriptions the challenge of salmon fishing Salmon prowl If they re not here now they could be here in half an hour Or tomorrow Or next month and the zen of fishing alone I also enjoy where my mind goes when I m fishing alone which is usually nowhere in particular and by a predictable route On a more serious note he ponders the damaging effects of disasters both natural and man made drought wildfires and the politics of dam building among others Reflecting on a trip to a small creek near his home Gierach writes In my brightest moments I think slowing down has opened huge new vistas on my old home water It s like a friendship that not only lasts but gets better against the odds Similarly Still Life with Brook Trout proves that Gierach like fly fishing itself becomes deeper and richer with time **Where the Trout Are All as Long as Your Leg** John Gierach,2012-03-13 Brilliant witty perceptive essays about fly fishing the natural world and life in general by the acknowledged master of fishing writers Fly fishing s finest scribe John Gierach takes us from a nameless stream on a nameless ranch in Montana to a secret pool off a secret creek where he caught a catfish as a five year old to a brook full of rattlesnakes and a private pond where the trout are all as long as your leg As Gierach says The secret places are the soul of fishing Hearing about a new one never fails to entice us And so Where the Trout Are All as Long as Your Leg transports the reader to the best of these places where the fish are always bigger and the hatches last forever After all it s these magical places that Gierach so vividly evokes that remind us how precious and precarious are the unspoiled havens of the natural world

Getting the books **Another Lousy Day In Paradise And Dances With Trout** now is not type of inspiring means. You could not single-handedly going similar to ebook amassing or library or borrowing from your contacts to get into them. This is an unquestionably simple means to specifically get lead by on-line.
