The Oxford History of the British Empire: Historiography Robin W. Winks, 1999 This volume investigates the shape and the development of scholarly and popular opinion about the British Empire over the centuries

The Oxford History of the British Empire: Volume V: Historiography Robin

Winks, 1999-10-21 The Oxford History of the British Empire is a major new assessment of the Empire in the light of recent scholarship and the progressive opening of historical records From the founding of colonies in North America and the West

Indies in the seventeenth century to the reversion of Hong Kong to China at the end of the twentieth British imperialism was a catalyst for far reaching change The Oxford History of the British Empire as a comprehensive study helps us to understand the end of Empire in relation to its beginning the meaning of British imperialism for the ruled as well as for the rulers and the significance of the British Empire as a theme in world history This fifth and final volume shows how opinions have changed dramatically over the generations about the nature role and value of imperialism generally and the British Empire more specifically The distinguished team of contributors discuss the many and diverse elements which have influenced writings on the Empire the pressure of current events access to primary sources the creation of relevant university chairs the rise of nationalism in former colonies decolonization and the Cold War They demonstrate how the study of empire has evolved from a narrow focus on constitutional issues to a wide ranging enquiry about international relations the uses of power and impacts and counterimpacts between settler groups and native peoples The result is a thought provoking cultural and intellectual inquiry into how we understand the past and whether this understanding might affect the way we behave in the future

On Some Antiquities in the Neighbourhood of Dunecht House Aberdeenshire (Classic Reprint) George Forrest Browne, 2018-03-07 Excerpt from *On Some Antiquities in the Neighbourhood of Dunecht House Aberdeenshire* It was known to the archaeologist that there were ogam inscriptions in the district two Of them being among the most important in Caledonia and that within an easy motor drive there was a minuscule inscription of six lines Of which no satisfactory explanation had been given This inscription they had visited in a previous year Further the quick eye Of the hostess of Dunecht had caught sight of some curious sculptures on a stone by the road side on the way to the minus cule inscription and other like stones in the neighbourhood had been shewn in Stuart s two volumes of *Sculptural Stones of Scotland* The suggestion was then made that for the sake of visitors at Dunecht a sort Of guide book should be prepared giving some simple description of the several Objects and their meaning and uses About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
