Atlas The Archaeology Of An Imaginary City Weatherhead Books On Asia:

Atlas Kai-cheung Dung, 2012-07-17 Set in the long lost City of Victoria a fictional world similar to Hong Kong *Atlas* is written from the unified perspective of future archaeologists struggling to rebuild a thrilling metropolis Divided into four sections *Theory The City Streets and Signs* the novel reimagines Victoria through maps and other historical documents and artifacts mixing real world scenarios with purely imaginary people and events while incorporating anecdotes and actual and fictional social commentary and critique Much like the quasi fictional adventures in map reading and remapping explored by Paul Auster Jorge Luis Borges and Italo Calvino *Dung Kai cheung* s novel challenges the representation of place and history and the limits of technical and scientific media in reconstructing a history It best exemplifies the author s versatility and experimentation along with China s rapidly evolving literary culture by blending fiction nonfiction and poetry in a story about succeeding and failing to recapture the things we lose Playing with a variety of styles and subjects *Dung Kai cheung* inventively engages with the fate of Hong Kong since its British handover in 1997 which officially marked the end of colonial rule and the beginning of an uncharted future *Atlas Qizhang Dong*, 2012 A futuristic tale set in a long lost fictional city similar to post colonial Hong Kong follows the efforts of a team of archaeologists to reconstruct its metropolis through historical maps documents and artifacts that are translated through anecdotal experiences and social commentary

Sachiko Shūsaku Endō, 2020-08-18 In novels such as *Silence* End Sh saku examined the persecution of Japanese Christians in different historical eras *Sachiko* set in Nagasaki in the painful years between 1930 and 1945 is the story of two young people trying to find love during yet another period in which Japanese Christians were accused of disloyalty to their country In the 1930s two young Japanese Christians *Sachiko* and *Sh hei* are free to play with American children in their neighborhood But life becomes increasingly difficult for them and other Christians after Japan launches wars of aggression Meanwhile a Polish Franciscan priest and former missionary in Nagasaki *Father Maximillian Kolbe* is arrested after returning to his homeland End alternates scenes between Nagasaki where the growing love between *Sachiko* and *Sh hei* is imperiled by mounting persecution and Auschwitz where the priest has been sent *Sh hei* s dilemma deepens when he faces conscription into the Japanese military conflicting with the Christian belief that killing is a sin With the A bomb attack on Nagasaki looming in the distance End depicts ordinary people trying to live lives of faith in a wartime situation that renders daily life increasingly unbearable End s compassion for his characters reflecting their struggles to find and share love for others makes *Sachiko* one of his most moving novels *River of Fire and Other Stories Chōnghuì O*, 2012 These nine stories range from *O Chonghui* s first published work in 1968 to one of her last publications in 1994 Her early stories are compact often chilling accounts of family dysfunction reflecting the decline of traditional agrarian economics and the rise of urban industrial living Later stories are more expansive weaving eloquent occasionally wistful reflections on lost love and tradition together with provocative explorations of sexuality and gender **Grassroots Fascism Yoshimi Yoshiaki**, 2015-03-24

Grassroots Fascism profiles the Asia Pacific War 1937-1945, the most important though least understood experience of Japan's modern history through the lens of ordinary Japanese life. Moving deftly from the struggles of the home front to the occupied territories to the ravages of the front line, the book offers rare insights into popular experiences from the war's troubled beginnings through Japan's disastrous defeat in 1945 and the new beginning it heralded. Yoshimi Yoshiaki mobilizes diaries, letters, memoirs, and government documents to portray the ambivalent position of ordinary Japanese as both wartime victims and active participants. He also provides penetrating accounts of the war experiences of Japan's minorities and imperial subjects, including Koreans and Taiwanese. His book challenges the idea that the Japanese people operated as a mere conduit for the military during the war, passively accepting an imperial ideology imposed upon them by the political elite. Viewed from the bottom up, wartime Japan unfolds as a complex modern mass society with a corresponding variety of popular roles and agendas. In chronicling the diversity of wartime Japanese social experience, Yoshimi's account elevates our understanding of Japanese Fascism. In its relation of World War II to the evolution and destruction of empire, it makes a fresh contribution to the global history of the war. Ethan Mark's translation supplements the Japanese original with explanatory notes and an in-depth introduction that situates the work within Japanese studies and global history. Fu Ping Anyi

Wang, 2019-08-06 Nainai has lived in Shanghai for many years, and the time has come to find a wife for her adopted grandson. But when the bride she has chosen arrives from the countryside, it soon becomes clear that the orphaned girl has ideas of her own. Her name is Fu Ping, and the more she explores the residential lanes and courtyards behind Shanghai's busy shopping streets, the less she wants to return to the country as a dutiful wife. As Fu Ping wavers over her future, she learns the city through the stories of the nannies, handymen, and garbage collectors whose labor is bringing life and bustle back to postwar Shanghai. Fu Ping is a keenly observed portrait of the lives of lower-class women in Shanghai in the early years of the People's Republic of China. Wang Anyi, one of contemporary China's most acclaimed authors, explores the daily lives of migrants from rural areas and other people on the margins of urban life. In shifting perspectives rich in detail and psychological insight, she sketches their aspirations, their fears, and the subtle ties that bind them together. In Howard Goldblatt's masterful translation, Fu Ping reveals Wang Anyi's precise renderings of history, class, and the human heart. *Kiku's Prayer* Shusaku

Endo, 2012-12-25 This translation is dedicated to the memory of Hondo Shun (1936-1997), a kind and gentle man who was nothing like his namesake in this novel. **Longing and Other Stories** Jun'ichirō Tanizaki, 2022-01-04 Jun'ichirō Tanizaki is one of the most eminent Japanese writers of the twentieth century, renowned for his investigations of family dynamics, eroticism, and cultural identity. Most acclaimed for his postwar novels such as *The Makioka Sisters* and *The Key*, Tanizaki made his literary debut in 1910. This book presents three powerful stories of family life from the first decade of Tanizaki's career that foreshadow the themes the great writer would go on to explore. *Longing* recounts the fantastic journey of a precocious young boy through an eerie nighttime landscape. Replete with striking natural images and uncanny human

encounters it ends with a striking revelation Sorrows of a Heretic follows a university student and aspiring novelist who lives in degrading poverty in a Tokyo tenement Ambitious and tormented the young man rebels against his family against a backdrop of sickness and death The Story of an Unhappy Mother describes a vivacious but self centered woman s drastic transformation after a freak accident involving her son and daughter in law Written in different genres the three stories are united by a focus on mothers and sons and a concern for Japan s traditional culture in the face of Westernization The longtime Tanizaki translators Anthony H Chambers and Paul McCarthy masterfully bring these important works to an Anglophone audience

Light and Dark Sōseki Natsume, 2013-12-03 *Light and Dark* Natsume Soseki s longest novel and masterpiece although unfinished is a minutely observed study of haute bourgeois manners on the eve of World War I It is also a psychological portrait of a new marriage that achieves a depth and exactitude of character revelation that had no precedent in Japan at the time of its publication and has not been equaled since With *Light and Dark* Soseki invented the modern Japanese novel Recovering in a clinic following surgery thirty year old Tsuda Yoshio receives visits from a procession of intimates his coquettish young wife O Nobu his unsparing younger sister O Hide who blames O Nobu s extravagance for her brother s financial difficulties his self deprecating friend Kobayashi a ne'er do well and troublemaker who might have stepped from the pages of a Dostoevsky novel and his employer s wife Madam Yoshikawa a conniving meddler with a connection to Tsuda that is unknown to the others Divergent interests create friction among this closely interrelated cast of characters that explodes into scenes of jealousy rancor and recrimination that will astonish Western readers conditioned to expect Japanese reticence Released from the clinic Tsuda leaves Tokyo to continue his convalescence at a hot springs resort For reasons of her own Madam Yoshikawa informs him that a woman who inhabits his dreams Kiyoko is staying alone at the same inn recovering from a miscarriage Dissuading O Nobu from accompanying him Tsuda travels to the spa a lengthy journey fraught with real and symbolic obstacles that feels like a passage from one world to another He encounters Kiyoko who attempts to avoid him but finally manages a meeting alone with her in her room Soseki s final scene is a sublime exercise in indirection that leaves Tsuda to explain the meaning of her smile
