Atonement The Person And Work Of Christ:

Atonement Thomas F. Torrance, 2025-09-30 This companion volume to T F Torrance's *Incarnation The Person and Life of Christ* presents the material on the work of Christ centered in the atonement given originally in his lectures delivered to his students in Christian Dogmatics on Christology at New College Edinburgh from 1952-1978. Like the first volume, the original lecture material has been expertly edited by Robert Walker, complete with cross-reference to Torrance's other works. Readers will find this the most readable work of Torrance and together with *Incarnation* the closest to a systematic theology we have from this eminent theologian.

Atonement Thomas F. Torrance, 2009 This companion volume to T F Torrance's *Incarnation The Person and Life of Christ* presents the material on the work of Christ centered in the atonement given originally in his lectures delivered to his students in Christian Dogmatics on Christology at New College Edinburgh from 1952-1978.

Incarnation Thomas F. Torrance, 2025-08-04 The late Thomas F. Torrance has been called the greatest Reformed theologian since Karl Barth and the greatest British theologian of the twentieth century by prominent voices in the academy. His work has profoundly shaped contemporary theology in the English-speaking world. This first of two volumes comprises Thomas Torrance's lectures delivered to students in Christian Dogmatics on Christology at New College Edinburgh from 1952 to 1978 and amounts to the most comprehensive presentation of Torrance's understanding of the incarnation ever published. In eight chapters, these expertly edited lectures highlight Torrance's distinctive belief that the object of our theological study, Jesus Christ, actively gives himself to us in order that we may know him. They also unpack Torrance's well-developed understanding of our union with Christ and how it impacts the Christian life, as well as his reflections on the breaking of Christ's kingdom and its intense conflict with and victory over evil. Decidedly readable and filled with some of Torrance's most influential thought, this will be an important volume for scholars, professors, and students of Christian theology for decades to come.

Supralapsarian Christology and the Progressive Work of Christ Thomas G. Doughty Jr., 2024-08-06 In *Supralapsarian Christology and the Progressive Work of Christ*, Christus Dominus Thomas G. Doughty Jr. produces a fresh theological narrative presenting the work of Christ progressively through both biblical and systematic theological lenses. Christus Dominus explains how the incarnate Son of God accomplishes multiple benefits for humanity and the cosmos. This model articulates a supralapsarian motivation for the incarnation of divine-human co-dominion but also accounts for the infralapsarian motivation of atonement for human sin. In doing so, Christus Dominus demonstrates that supralapsarian Christology is compatible with objective approaches to atonement, showing also how penal substitutionary atonement fits within the more holistic motif of Christus Victor. This book addresses weaknesses in infralapsarian Christologies which deem the incarnation primarily contingent on the human fall into sin. By exploring God's creation intentions and his faithfulness to realize those intentions in the incarnate Christ through eschatological promises, Christus Dominus encapsulates the biblical revelation relating the work of Christ to humanity's progressive vocation. Then, by drawing

on the strengths of recent work of Christ frameworks the author systematically arranges an objective atonement model within that progressive work of Christ Christus Dominus thus upholds the unique necessity of the crucifixion within a supralapsarian Christology as the incarnate Christ's work progressively unfolds

Approaching the Atonement Oliver D. Crisp, 2020-02-11 Theologian Oliver Crisp explores the meaning of the cross and the various ways that the death of Jesus has been interpreted in the church's history from ransom theory in the early church to penal substitutionary theory to more recent feminist critiques What emerges is a more complex expansive and fruitful understanding of the atonement and its significance for the Christian faith today

God with Us, Or, The Person and Work of Christ Alvah Hovey, 1872

One with Christ Marcus Peter Johnson, 2013-08-31 Regeneration justification sanctification These are the primary words that come to mind when talking about the theology of salvation However the Bible teaches that each of these concepts is firmly rooted in something more foundational our union with Christ In this accessible book Johnson introduces us to this neglected doctrine arguing that it is the dominant organizing concept for salvation in the New Testament In eight thought provoking chapters Johnson shows how a believer's position in Christ is the lens through which all other facets of salvation should be understood Interacting extensively with the biblical text and drawing on lessons from church history Johnson presents a compelling case for the unique importance of this beautiful biblical doctrine

The Word Enfleshed Oliver D. Crisp, 2016-09-20 A Fresh Theological Account of the Person and Work of Christ The literature on Christology is large and ever expanding The same is true for work on the atonement which has blossomed in the last decade Few studies attempt to connect the dots between these two theological topics however In this volume respected theologian Oliver Crisp offers a fresh analytic theological account of the person and work of Christ focusing on the theme of union with God Incarnate Along the way he engages a range of contemporary and historic Christian thinkers and tackles a number of key issues in contemporary discussions Wide ranging and carefully argued this unified account of the person and work of Christ will be of interest to scholars and students of Christian theology

Systematic Theology Robert Letham, 2019-11-19 This comprehensive systematic theology by respected theologian Robert Letham covers the whole field of Reformed Christian doctrine from biblical historical and theological angles Letham begins with God's ultimate self-revelation as the Father the Son and the Holy Spirit in indivisible union continuing on with the works of God in creation providence and grace He draws deeply from Scripture and important voices from the church to provide a clear and concise articulation of the Reformed faith He also addresses current issues such as feminism charismatic gifts sexual ethics environmentalism other religions the nature of truth and civil liberties Each chapter is followed by discussion questions with a glossary of terms included at the end This work grounds theological understanding and practice in the life and ministry of the church accessible to pastors students scholars and anyone who desires to understand believe and live scriptural doctrine more fully

Theological Retrieval for Evangelicals Gavin Ortlund, 2019-11-05 Restless for rootedness many Christians are abandoning

Protestantism altogether Many evangelicals today are aching for theological rootedness often found in other Christian traditions Modern evangelicalism is not known for drawing from church history to inform views on the Christian life which can lead to a me and my Bible approach to theology But this book aims to show how Protestantism offers the theological depth so many desire without the need for abandoning a distinctly evangelical identity By focusing on particular doctrines and neglected theologians this book shows how evangelicals can draw from the past to meet the challenges of the present
