Marks, 2012 A coherent forceful and compelling case for God and the Church founded by Jesus of Nazareth This is a remarkable achievement of solid factual information that is loaded with ammunition for the new evangelization Contains colorful vignettes of historic moments alternating with sustained argument Marks challenges the reader to set aside long held assumptions and prejudices Jesus is the only one who proclaimed himself sinless and the only one who ever claimed to be God His followers converted an entire empire without resort to violence and after winning Rome they not only gave the world its calendar but transformed pagan culture beyond recognition These hard cold facts are presented here with copious notes for easy identification of persons events or doctrines that may be unfamiliar The reader will also find a detailed index and useful appendices Singing in the Reign Michael Patrick Barber, 2001 Christians know the Psalms sing the Psalms and pray the Psalms more than any other book of the Bible Yet even as believers have grown more devoted to individual psalms they have lost the big picture the single sense that unites all the psalms as one coherent book Michael Barber is at the forefront of an emerging movement in biblical theology With this book he is recovering the narrative plot that was the common heritage of Jews and Christians in the ancient world Barber shows how King David serves as an example for the chosen people as they struggled in exile As David was rescued by the Lord so would Israel be restored as a kingdom for all

ages This is the story of Christ as well whom Barber reveals as the new David And in Christ it is the story of every Christian The Psalms bring us in our reading and in our prayer from suffering and pleading to glory triumph and praise Barber s analysis follows upon an extensive introduction by Scott Hahn Ph D detailing the historical cultural and theological background of the Psalter

Family Matters Michaelann Martin,Curtis Martin,2002 Make time for the thing that matters most your family Michaelann and Curtis Martin share valuable lessons from Scripture and their own experience on how to raise up a happy and holy family even amidst the challenges of today s culture

Behold the Man Harold Burke-Sivers,2015-09-22 Lucid and inspiring Behold the Man is a unique exploration of Catholic spirituality for men Much of the literature written for Catholic men focuses on topical issues such as fatherhood and sexuality While this book does not exclude these subjects it is the first to present a comprehensive picture of Catholic male spirituality What is authentic male Catholic spirituality What distinguishes it from Protestant male spirituality How does masculine spirituality complement feminine spirituality These questions and many more are answered in this book Drawing from Scripture and Church teaching the author roots Catholic male spirituality in a covenant relationship with God and the cross of Jesus Christ He demonstrates that when a man embraces the cross he is truly able to be himself the man that God created and calls him to be Behold the Man can deepen a man s experience of Christ and help him to know the Lord more intimately

True Friendship John Cuddeback, Ph.D.,2021-01-22 We all want true friends But how many of us really know what friendship is or where to find it In these pages philosopher John Cuddeback weaves together the timeless wisdom of Scripture of the ancient Greeks and the saints to map out the steep and beautiful path to man s greatest joy true friendship Following Aristotle s teachings on the unbreakable connection between happiness and virtuous living Cuddeback sees friendship at the very center of the human drama Although there are different kinds of friendship the deepest kind can only be achieved through a life of virtue and this is where the human person comes most fully alive True Friendship offers simple yet rich advice on how to tap into this reality in our own lives Such friendship demands much of us but it gives us even more as individuals and as a society Both the Old and New Testaments place a premium on friendship In the Christian vision the philosophers insights attain a broader supernatural perspective Christ transforms human friendship and expands it With help from the writings of Saints Thomas and Aelred Cuddeback discovers what lies at the heart of the Christian life the wondrous and unsurpassable reality of friendship with God in Jesus the Divine Friend who is at work in all our authentic friendships

From Jewish Passover to Christian Eucharist The Todah Sacrifice as Backdrop for the Last Supper: Catholic for a Reason III Tim Gray,2006-03-01 Tim Gray shows that the todah sacrifice is what links and underlies the Passover and the Mass Introduced in the Old Testament the todah in contrast to the yearly celebration of Passover was a continual sacrifice of thanks and praise to God for His saving actions A todah sacrifice would be offered by someone whose life had been delivered from great peril Just as the Passover was a sacrifice in memory of when the Jewish people had been saved from death during their exile in Egypt so too the Mass is

a continual sacrifice of thanksgiving for our salvation The Mass and Evangelization: Catholic for a Reason III Curtis Martin, 2006-03-01 This essay by FOCUS Fellowship of Catholic University Students president Curtis Martin gives an explanation of the Mass's role in evangelization With a deeper understanding of the real meaning of the Mass it's not a tool for evangelization like many Protestant services but the source and summit of evangelization Martin offers many practical guidelines and suggestions for an active evangelization An evangelization that seeks to share the great gift we've been given The Mass *Scripture and the Mystery of Marriage and Family Life* Scott Hahn, Regis J. Flaherty, 2007-04 Scott Hahn and a dozen of his students write thirteen chapters to show how the teachings of Scripture and the Catholic Church relate to each other At the same time we hope you will catch a new vision of the Catholic faith in all of its beauty symmetry coherence and practicality p 4
