Plantation Kingdom Richard Follett, Sven Beckert, Peter Coclanis, Barbara M. Hahn, 2016-04-01 How global competition brought the plantation kingdom to its knees In 1850 America's plantation economy reigned supreme U S cotton dominated world markets and American rice sugarcane and tobacco grew throughout a vast farming empire that stretched from Maryland to Texas Four million enslaved

African Americans toiled the fields producing global commodities that enriched the most powerful class of slaveholders the world had ever known But fifty years later after emancipation demolished the plantation labor system Asian competition flooded world markets with cheap raw materials and free trade eliminated protected markets America's plantations lay in ruins Plantation Kingdom traces the rise and fall of America's plantation economy Written by four renowned historians the book demonstrates how an international capitalist system rose out of slave labor indentured servitude and the mass production of agricultural commodities for world markets Vast estates continued to exist after emancipation but tenancy and sharecropping replaced slavery's work gangs across most of the plantation world Poverty and forced labor haunted the region well into the twentieth century The book explores the importance of slavery to the Old South the astounding profitability of plantation agriculture and the legacy of emancipation It also examines the place of American producers in world markets and considers the impact of globalization and international competition 150 years ago Written for scholars and students alike Plantation Kingdom is an accessible and fascinating study
