Business Research Methods Study Guide:

Business Research (Speedy Study Guides) Speedy Publishing, 2015-02-04 Having a Business Research Study Guide by your side when you are a student can help. It is smaller than the regular textbook so it is easy to carry and refer to at all times. A study guide contains only the most important information needed for a test. It can be a time saver and an easy to read summary.

Research Methods in Business Studies Pervez N. Ghauri, Kjell Grønhaug, 2005. *Research Methods in Business Studies: A Practical Guide* Third edition Pervez Ghauri and Kjell Gronhaug. This clearly written introduction is ideal for business students taking a course in research methods or undertaking their first dissertation or report on a work placement project. Written in a concise and accessible style it demonstrates the importance of a scientific approach to business research and problem solving projects. It shows students how to formulate a problem, choose a research method, argue and motivate, and how to collect, analyse and present the data.

Key Features: Provides guidelines to formulate a research problem, preparing students to fully understand the questions and objectives before undertaking research. Explains the importance of methods and models to equip students with a systematic approach in thinking, executing and writing. Evaluates different qualitative and quantitative methods and their consequences on data collection and analysis so that students can choose the most appropriate research method for a given situation. Offers clear guidelines about structuring clear, concise and relevant reports. Contains detailed discussion of research theories and their practical application in business. This edition has extended coverage of international and cross cultural research, more examples from real dissertations and research projects from diverse areas of business such as HRM and accounting, and a new chapter on qualitative research and the software used to analyse data. A concise, clear and comprehensive introduction to research methods which equips students with a systematic approach to business research.

Dr Pervez Ghauri is Professor of International Business at Manchester Business School, The University of Manchester, UK. Dr Kjell Gronhaug is Professor of Business Studies at the Norwegian School of Economics and Business Administration, Bergen, Norway.

Consumer Psychology: A Study Guide to Qualitative Research Methods Paul M.W. Hackett, Jessica Schwarzenbach, Uta Maria Jürgens, 2016-04-18. This book provides students with a clear and concise guide to studying undergraduate courses in qualitative consumer research and ethnography. The authors present the major qualitative research approaches used in consumer and marketing research, as well as practical procedures and theoretical aspects of research design, report presentation, etc. In addition to that, a weekly study guide including comprehensive reading lists completes the book.
