Buttons Of The British Army 1855 1970

Graham Bandy

Buttons Of The British Army 1855 1970:

Buttons of the British Army, 1855-1970 Howard Ripley, 1979 **Buttons of the British Army 1855-1970** Howard Ripley, 1983-05-01 **Ian Kelly Militaria Master Catalogue August 2015** Ian Kelly, 2015-08-09 140 page Master Catalogue of military and police badges patches and buttons for collectors 8200 different items listed for sale Published by Ian Kelly Militaria a specialist dealer in uniform insignia for 25 years **Churchill's Army** Stephen Bull, 2016-09-22

Winston Churchill Britain's iconic war time Prime Minister is inextricably linked with the victorious British Army of 1939 to 1945 Yet hindsight propaganda and the imperative of the defeat of Hitler and Imperial Japan have led to a tendency to oversimplify the image of Churchill the war leader and his Army For whilst Churchill was undeniably a towering statesman his relations with both the Army and War Office were ambiguous and altered considerably not only with the progress of the Second World War but over decades In this comprehensive book Stephen Bull examines every aspect of the British Army during the Second World War and considers in detail the strengths and weaknesses of an organisation that was tested to its limits on many fronts but made an immense contribution to the successful Allied outcome The book explores the structure of military power from the men who ran it the Generals to the detail of the regiments they commanded It looks at the uniforms the soldiers wore and the badges and insignia they bore on their uniforms The weaponry Churchill's army used is discussed in detail from small arms including rifles bayonets grenades carbines and machine guns to the massed firepower of the artillery along with the increasing sophistication of tanks and other military vehicles during the period Finally the role of auxiliary and special forces and their contribution to the campaign is considered The comprehensive text is enhanced by more than 200 contemporary photographs

Identifying Cap Badges Graham Bandy, 2022-03-18 This book is an invaluable tool of the trade for anyone trying to identify or interpret photos Peter Hart Military Historian Identifying Cap Badges is the book that has been missing from the bookshelves of family historians military enthusiasts and badge collectors alike It is quite easy to find an erudite book on military cap badges but you could spend hours if not days plodding through hundreds of pictures to find a match for the one you hold Sometimes you may not find it at all These learned badge collector's books have one major flaw they are pictured and discussed in order of precedence that is to say from the earliest formed regiments to the latest with separate sections on medical engineers cavalry infantry etc This can be most confusing to those uninitiated into the dark arts of military badges Thus if you do not know the name or original number of your regiment in this order of precedence you can be flummoxed This combined with all the different crowns laurels animals mythological beasts and castles can prove more than a little daunting even to ex soldiers themselves In this book you will find badges ordered by what is on the badge itself be it a dragon sphinx or castle horse lion or tiger This is badge identification in minutes rather than hours with added information on dating badges and many comparison photographs alongside all the pictures of the badges Added to these pictures are short histories of the regiments and family trees plotting the antecedents of today's units

British Army Uniforms & Insignia of World War Two Brian Leigh Davis,1983 *Tommy's War* Peter Doyle,2020-10-26

The First World War has left an almost indelible mark on history with battles such as the Somme and Passchendaele becoming watchwords for suffering unsurpassed The dreadful fighting on the Western Front and elsewhere in the world remains vivid in the public imagination Over the years dozens of books have been published dealing with the soldier's experience the military history and the weapons and vehicles of the war but there has been little devoted to the objects associated with those hard years in the trenches This book new in paperback redresses that balance With hundreds of carefully captioned photographs of items that would have been part of the everyday life for the British Tommy from recruiting posters uniforms and entrenching equipment to games postcards and pieces of trench art this book brings to life the experience of the Great War soldier through the objects with which he would have been surrounded Object and Economy in Medieval Winchester Martin Biddle,2025-04-03 Over 6000 objects were recovered during the Winchester excavations 1961-1971 offering insight not only into the industries and arts but the economic cultural and social life of medieval Winchester This volume covers all the objects from the finest products of the Anglo Saxon goldsmith's skill to the iron tenter hooks of the cloth industry *Know it All, Find it Fast* Robert John Duckett,Bob Duckett,Peter Walker,Christinea Donnelly,2008 There is a queue the phone is ringing the photocopier has jammed and your enquirer is waiting for a response You are stressed and you can feel the panic rising Where do you go to find the information you need to answer the question promptly and accurately Answering queries from users is one of the most important services undertaken by library and information staff Yet it is also one of the most difficult least understood subjects There are still very few materials available to help frontline staff often paraprofessional develop their reader enquiry skills This award winning sourcebook is an essential guide to where to look to find the answers quickly It is designed as a first point of reference for library and information practitioners to be depended upon if they are unfamiliar with the subject of an enquiry or wish to find out more It is arranged in an easily searchable fully cross referenced A-Z list of around 150 of the subject areas most frequently handled at enquiry desks Each subject entry lists the most important information sources and where to locate them including printed and electronic sources relevant websites and useful contacts for referral purposes The authors use their extensive experience in reference work to offer useful tips warn of potential pitfalls and spotlight typical queries and how to tackle them This new edition has been brought right up to date with all sources checked for currency and many new ones added The searchability is enhanced by a comprehensive index to make those essential sources even easier to find saving you valuable minutes Readership Offering quick and easy pointers to a multitude of information sources this is an invaluable reference deskbook for all library and information staff in need of a speedy answer in reference libraries subject departments and other information units **The British National Bibliography** Arthur James Wells,1979
