Beyond The Shame Understanding And Treating The Child Molester:

Beyond the Shame James A. Kitchens,1990 Beyond the Shame Understanding Victims of sexual abuse Social workers Ministers educators others who work with youth Co-Dependence Healing the Human Condition Charles Whitfield,2010-01-01 Of all the books on the often misunderstood concept of co dependence this is probably the clearest most complete and informative Charles Whitfield is a frontline clinician who has been assisting co dependents in their healing for over twenty years He has researched the literature on co dependence which he summarizes in this widely read book He sees co dependence as a way to more accurately describe the painful and confusing part of the human condition In careful detail he describes just what co dependence is and what it is not how it comes about and how to heal its painful aftereffects *The Long Journey Home* Andrew J. Schmutzer,2011-10-01 Maybe the only thing new about sexual abuse is quality discussion from several professions psychology theology and pastoral care Here are the insights of over two dozen psychologists theologians and those in pastoral care all targeting the issue of sexual abuse Designed as a resource for Christian educators therapists pastors social workers group leaders and survivors The Long Journey Home combines current research in mental health with rich theological reflection global concern with fervent pastoral wisdom for the local faith community Whether you are a counselor professor pastor or spouse of a survivor you hold in your hand a fresh resource of information and advocacy for those suffering from the devastating effects of sexual abuse and rape The breadth of material biblical insight discussion questions and helpful resources gathered here just may be the tool of a generation **Healing the Shame That Binds You** John Bradshaw,2010-01-01 In an emotionally revealing way John Bradshaw shows us how toxic shame is the core problem in our compulsions co dependencies addictions and the drive to super achieve The result is a breakdown in the family system and our inability to go forward with our lives We are bound by our shame Drawing from his 22 years of experience as a counselor Bradshaw offers us the techniques to heal this shame Using affirmations visualizations inner voice and feeling work plus guided meditations and other useful healing techniques he releases the shame that binds us to the past This important book breaks new ground in the core issues of societal and personal breakdown offering techniques of recovery vital to all of us *Child Sexual Abuse: Empirical Research on Understanding and Helping Victims and Offenders* Noora Ellonen,Robert Horselenberg,Cristina Izura,Taina Laajasalo,Nadia Marie Wager,2022-03-11 **Treating Trauma-Related Dissociation** Kathy Steele,Suzette Boon,Onno van der Hart,2016-11-29 Winner of the 2017 International Society for the Study of Trauma and Dissociation ISSTD Pierre Janet Writing Award Establishing safety and working with dissociative parts in complex trauma therapy Therapists around the world ask similar questions and struggle with similar challenges treating highly dissociative patients This book arose not only out of countless hours of treating patients with dissociative disorders but also out of the crucible of supervision and consultation where therapists bring their most urgent questions needs and vulnerabilities The book offers an overview of the neuropsychology of dissociation as a disorder of non realization as well as

chapters on assessment prognosis case formulation treatment planning and treatment phases and goals based on best practices The authors describe what to focus on first in a complex therapy and how to do it how to help patients establish both internal and external safety without rescuing how to work systematically with dissociative parts of a patient in ways that facilitate integration rather than further dissociation how to set and maintain helpful boundaries specific ways to stay focused on process instead of content how to deal compassionately and effectively with disorganized attachment and dependency on the therapist how to help patients integrate traumatic memories what to do when the patient is enraged chronically ashamed avoidant or unable to trust the therapist and how to compassionately understand and work with resistances as a co creation of both patient and therapist Relational ways of being with the patient are the backbone of treatment and are themselves essential therapeutic interventions As such the book also focused not only on highly practical and theoretically sound interventions not only on what to do and say but places strong emphasis on how to be with patients describing innovative compassionately collaborative approaches based on the latest research on attachment and evolutionary psychology Throughout the book core concepts fundamental ideas that are highlighted in the text in bold so they can be seen at a glance are emphasized These serve as guiding principles in treatment as well as a summing up of many of the most important notions in each chapter Each chapter concludes with a section for further examination These sections include additional ideas and questions exercises for practicing skills and suggestions for peer discussions based on topics in a particular chapter meant to inspire further curiosity discovery and growth

Put Your Past in the Past Beverly Engel, 2025-03-18 Stop repeating your past and find lasting healing for the future Millions of us are desperately trying to rewrite our past by unconsciously repeating it unknowingly reenacting the traumatic events in our lives in an effort to complete unfinished business or undo what was done to us These unconscious efforts to undo trauma only bring more pain more disappointment and more psychological damage Reenactments can take the form of self destructive behavior unhealthy decisions choosing the wrong partners getting stuck in repetitive emotional cycles or sabotaging chances at success Understanding and eliminating these reenactments is an essential part of the healing process Unfortunately this topic hasn't been addressed enough by psychotherapists and other mental health professionals In **Put Your Past in the Past** renowned psychotherapist Beverly Engel offers the first accessible and comprehensive book on emotional reenactments First the book will help readers make their unsuccessful efforts to repair their past more conscious Next Engel offers powerful strategies to help readers truly heal their past not by unwittingly repeating it but by attending to their original wounds and embracing self compassion Unless we process past traumas we can't heal them **Put Your Past in the Past** will help you face your past head on to find true and lasting wholeness
