sport industry New and updated international sidebars for each of the book's 21 chapters with accompanying questions in the web study guide New professional profiles showcasing the diversity in the field Streamlined chapters on sport management history and sociological aspects of sport management emphasizing the issues most relevant to today's sports managers Updated sidebars and learning features including Historical Moment sections chapter objectives key terms social media sidebars sections on applied practice and critical thinking and more In addition Contemporary Sport Management offers an array of student and instructor ancillaries A revamped web study guide that contains over 200 activities presented through recurring features such as Day in the Life Job Opportunities and Learning in Action An instructor guide that houses a sample syllabus instruction on how to use the web study guide a section on promoting critical thinking in sport management lecture outlines chapter summaries and case studies from the journal Case Studies in Sport Management to help students apply the content to real world situations A test package and chapter quizzes that combine to offer 850 questions in true false fill in the blank short answer and multiple choice formats A presentation package of 350 slides covering the key points of each chapter as well as an image bank of the art tables and content photos from the book This new edition addresses each of the common professional component topical areas that COSMA the Commission on Sport Management Accreditation considers essential for professional preparation sport management foundations functions environment experiential learning and career development Contemporary Sport Management is organized into four parts Part I provides an overview of the field and the important leadership concepts associated with it Part II details the major settings in which many sport management positions are carried out In part III readers learn about the key functional areas of sport management including sport marketing sport consumer behavior sport communication sport facility and event management and more And in part IV readers examine current sport management issues including how sport management interfaces with law sociology globalization analytics and research Every chapter includes a section or vignette on international aspects of the field and ethics in sport management This text particularly focuses on the ability to make principled ethical decisions and on the ability to think critically These two issues of critical importance to sport managers are examined and analyzed in detail in this book Contemporary Sport Management Sixth Edition will broaden students understanding of sport management issues including international issues and cultures as it introduces them to all the aspects of the field they need to know as they prepare to enter the profession With its up to date revisions and new inclusions its internationally renowned stable of contributors and its array of pedagogical aids this latest edition of Contemporary Sport Management maintains its reputation as the groundbreaking and authoritative introductory text in the field

Applied Behavior Analysis Edward P. Sarafino, 2011-10-25

Applied Behavior Analysis Principles Procedures for Modifying Behavior provides today's students with a handbook to help them design and conduct interventions to modify behaviors when they enter professional careers This text will serve as a resource for students who plan to become behavior analysts to design and conduct interventions to change clients behaviors

Author Ed Sarafino provides an understanding of the fundamental techniques of applied behavior analysis by presenting its concepts and procedures in a logical sequence and giving clear definitions and examples of each technique. The text will guide students to learn how to identify and define the behavior to be changed and how a response is determined by its antecedents and consequences, usable practical skills by specifically stating the purpose of each technique, describing how it is carried out, and presenting guidelines and tips to maximize its effectiveness. It also explains why and how to design a program to change a behavioral deficit or excess by conducting a functional assessment and then selecting and combining techniques that can be directed at the behavior itself and its antecedents and consequences, and to illustrate why and how to collect and analyze data. *Applied Behavior Analysis: Principles and Procedures for Modifying Behavior* is available in alternate versions: eBooks and custom for professors and students. For more information, visit the Instructor's Resource tab or Student Resource tab below.
