Holland, 2020-12-17 During my career as a school principal I had a wonderful epiphany every student wherever they attended
school belonged to me I may not have been their school principal but they were my students I had a duty to care not only for
the students in my school but for students who attended schools everywhere Though I am retired now I still feel that sense of
duty to care for all students wherever they attend school and that is why I wrote A Daily Walk with God It is my hope that you
will walk with God daily as you go to school It is my hope that you will be mindful of his presence in your life every day It is
my hope that you will be mindful of his encouragement every day It is my hope that you will be mindful of his love every day
Every day of the week every hour of the day every moment of every hour You are that important to him It is my hope that A
Daily Walk with God reminds you of that
