Historical Dictionary of Indonesia Audrey Kahin,2015-10-29 A wide flung archipelago lying between the Pacific and Indian Oceans Indonesia is the world s most populous Islamic country For over two thousand years it was a crossroads on the major trading route between China and India but it was not brought together into a single entity until the Dutch extended their rule throughout the Netherlands East Indies in the early part of the 20th century Declaring its independence from the Dutch in 1945 the Republic of Indonesia was ruled by only two regimes over the next half century Throughout the years the country has continued to be dogged by an inefficient bureaucracy and by perpetual problems of corruption However since 2004 Indonesia has successfully carried out four direct elections for president together with an equal number of elections for legislative bodies at all levels of government and has finally in 2014 elected a president with no ties to either the military or to the previous authoritarian power structure This third edition of Historical Dictionary of Indonesia contains a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 900 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Indonesia **Textiles: Production, Trade and Demand**

Maureen Fennell Mazzaoui,2016-12-05 This volume examines the role of textiles within the expanding global economy in the Age of European Exploration Major themes include the opening of new markets and responses to competition in the cloth trade evolving techniques and modes of production and changes in the patterns of consumption of local and imported cloth in a comparative cross cultural context The Social World of Batavia Jean Gelman Taylor,2009-04-22 In the seventeenth century the Dutch established a trading base at the Indonesian site of Jakarta What began as a minor colonial outpost under the name Batavia would become over the next three centuries the flourishing economic and political nucleus of the Dutch Asian Empire In this pioneering study Jean Gelman Taylor offers a comprehensive analysis of Batavia s extraordinary social

world its marriage patterns religious and social organizations economic interests and sexual roles With an emphasis on the urban ruling elite she argues that Europeans and Asians alike were profoundly altered by their merging resulting in a distinctive hybrid Indo Dutch culture Original in its focus on gender and use of varied sources travelers accounts newspapers legal codes genealogical data photograph albums paintings and ceramics The Social World of Batavia first published in 1983 forged new paths in the study of colonial society In this second edition Gelman offers a new preface as well as an additional chapter tracing the development of these themes by a new generation of scholars

Every Branch In Me: Essays On The Meanin Barry McDonald,2010-08-01 Every Branch in Me Essays on the Meaning of Man is a collection of articles by leading perennialist authors that are unified by a single theme nothing that is properly human can be separated from the intrinsically spiritual nature of man

Contemporary Indonesian Fashion Alessandra Lopez y Royo,2019-10-31 Indonesian fashion has undergone a period of rapid growth over the last three decades This book explores how through years of social political and cultural upheaval the country s fashion has moved away from colonial fashion and national dress to claim its own distinct identity as contemporary fashion in a global world With specific reference to women s wear Contemporary Indonesian Fashion explores the diversity and complexity of the country s sartorial offerings which weave together local textile traditions like batik and ikat making with contemporary narratives The book questions concepts of tradition and modernity in the developing world taking stock of the elite consumption of luxury brands and the large scale manufacturing of fast fashion and introduces us to the rise of new trends such as busana muslim or modest wear creating a portrait of a vibrant and growing national and increasingly international industry Exploring clothing in shopping malls on the catwalk in magazines and online the book examines how Indonesian fashion is made presented and consumed combining research in Indonesia with analysis and personal reflection Contemporary Indonesian Fashion ultimately questions the deeply entrenched eurocentrism of global fashion simultaneously interrogating current homogenizing beauty and body image discourses posited as universal by pointing to absences silences and erasures as reflected by contemporary Indonesian fashion hence the looking glass of the title Aptly illustrated the book offers a new perspective on a rapidly developing new fashion capital Jakarta
