To cope constructively, I commit to engaging in deep breathing and stepping away from the situation to calm down.

3. Reflect on your upbringing and experiences with violence. How do you think they have influenced your behavior?

Witnessing my parents' violent arguments and physical fights has normalized aggression for me.

Section 2: Impact on Others

How do you think your abusive actions have affected your partner/spouse and/or children? Please consider emotional, physical, and psychological impacts.

- Have you observed any patterns of violence in your family or relationships? Explain how these patterns might have influenced your actions.

My actions have caused my partner to feel afraid and emotionally withdrawn.

The environment of violence has negatively impacted my children, leading to emotional distress. Yes, my father had a history of abusive behavior towards my mother and siblings.
