Battleground Zero No Adult Is Safe:

Battleground Zero Viktor Gaal, 2015-09-27 Overnight a Columbine style hostage situation turns into a nationwide revolt by teenagers Led by a child savant who utilizes social media to anger and unite his generation the kids hunt down every adult they can find even their own parents Amidst the carnage a small group of desperate survivors make a stand and decide to fight back

Kids These Days Karen Sternheimer, 2006-05-23 Kids snatched from their bedrooms shot at in school fatter than ever prone to risk taking and cruelty is childhood today as bad as the news accounts would have us believe Is this generation headed for disaster Kids These Days Facts and Fictions About Today s Youth critically examines the hottest news stories of the past few years to assess whether the news is really as bad as it sounds For instance is kidnapping by strangers really a bigger threat now than in the past Are disputes at school now settled with guns instead of fists And are kids especially girls becoming bigger bullies than ever before Kids These Days looks at the stories that made headlines and goes deeper to explore overall trends and statistics to compare the hype to reality The truth is kids today do face unique obstacles and challenges but their situation isn t nearly as dire as the compelling news accounts would have us believe Our nation s youth have been targeted as a problem population to absolve adult responsibility for creating the often dangerous and difficult conditions many young people must endure Kids These Days will give the reader pause and perspective to better understand the realities of the first generation to come of age in the twenty first century

Battlegrounds of Memory Clay Lewis, 1998 In Battlegrounds of Memory Clay Lewis crosses seven generations of his family to illuminate a heritage of romantic hope and abject defeat seeking freedom from the past by understanding it His story is a cry from the heart reaching into the depths of a family s collective soul and finding hope in the midst of despair Heritage was a heavy burden on Lewis s parents children of the South whose denial of their past bound them more tightly to it Their battles with each other and their son followed old patterns of intergenerational conflict The book opens with a harrowing scene in which the author as a teenager is urged by his mother to discipline his drunken father on Christmas Eve In the forty years since he assaulted his father that night Lewis has struggled to understand how his family was changed by the history they had experienced the wilderness frontier the Civil War and the Great Depression How they were changed ultimately became his legacy In the Marines he found that his capacity for violence ran deep in his unhappy marriages he found himself repeating old mistakes Over the years he began to recognize that the terrible wounds on both sides of his family formed patterns of scapegoats and rebels of betrayal and grief and finally of yearning and hope In this knowledge he found freedom Battlegrounds of Memory is a work of deep courage at times humorous and ironic at other times melancholy and lyrical it is told with an amazing sensitivity and passion It is a strong testament to the force of love
