## **Behind The Dolphin Smile One Mans Campaign To Protect The Worlds Dolphins:**

**Behind the Dolphin Smile** Richard O'Barry, 2025-07-07 Behind the Dolphin Smile chronicles Richard O Barry s extraordinary journey from dolphin trainer to world renowned advocate for dolphin freedom In his early years O Barry trained dolphins to entertain audiences for shows at aquatic theme parks and for roles in movies and television shows most notably Flipper His career as a trainer came to an abrupt halt when one of the dolphins that played Flipper on television died of stress in his arms At that moment he realized that keeping dolphins in captivity and teaching them to do tricks was cruel and morally wrong He began to understand that dolphins were easy to train not because of his gifts as a trainer but because they are remarkably intelligent and he vowed not to rest until he freed every last one of them O Barry s first arrest on the first Earth Day in 1970 for trying to free a caged dolphin in the Bahamas eventually led to his starring role in the 2010 Academy Award winning documentary The Cove which exposes Japan s horrific annual dolphin slaughter to the world Included in this new edition is a preface on O Barry s role in this riveting documentary which has garnered more awards than any other in its genre as well as information on his campaign to stop the slaughter of dolphins Share and rejoice in O Barry s adventures from Flipper to The Cove and discover how the one time pride of the billion dollar captivity industry became the tireless dolphin advocate we know and love today

*Behind the Dolphin smile* Richard O'Barry, 2012-01-01 Behind the Dolphin Smile is the heart felt true story of an animal lover who dedicated his life to studying and training dolphins but in the process discovered that he ultimately needed to set them free Ric O Barry shares his journey with dolphins and other sea mammals in this captivating autobiographical look back at his years as a dolphin trainer for aquatic theme parks movies and television Also included is a preface relaying a first hand account of his adventures filming the 2010 Academy Award winning documentary The Cove which covertly uncovered Japan s inhumane dolphin hunting practices O Barry a successful animal trainer who had had everything money flashy cars pretty women came to realize that dolphins were easy to train not because of his great talent but because they possessed great intelligence and that keeping them in captivity was cruel and morally wrong O Barry now dedicates his life to stopping the exploitation of these exceptional mammals by retraining them to return to their natural habitats

New York Magazine , 1997-06-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

**Behind the Dolphin Smile** Richard O'Barry, Keith Coulbourn, 2000-07-07 People who have faced death often speak of their lives flashing before their eyes Something much different happened to dolphin trainer Richard O Barry when one of the dolphins that played Flipper on television died of stress in his arms He realized that most of his career as an animal trainer had been a mistake and that dolphins have as much right to freedom as humans He vowed not

to rest until he freed every last dolphin that could be returned to the wild successfully This is a true story that will move not only animal lovers but everyone who loves a well told tale Ric O Barry had everything money flashy cars pretty women but it wasn't enough to keep his conscience at bay He began to understand that dolphins were easy to train because of their great intelligence not his great talent and keeping them in captivity was cruel and morally wrong While research and entertainment are important to human life they are not worth the cost to these beautiful and gentle animals O Barry was arrested trying to free a dolphin but that didn't stop him and he now devotes his life to untraining dolphins and returning them to their natural habitats Once the pride of the billion dollar dolphin captivity industry he has since become its nemesis

To Free a Dolphin Keith Coulbourn, Richard O'Barry, 2015-10-06 In this memorable first book *Behind the Dolphin Smile* Richard O Barry told the inspiring story of his personal transformation from world famous dolphin trainer Flipper was his pupil to dolphin liberator Now in *To Free a Dolphin* he passionately recounts the dramatic story of his heart breaking campaign to release captive dolphins back into the wild With wit and insight he chronicles the extreme opposition he has faced from bureaucrats major players in the captive dolphin industry rival wildlife groups and well meaning sentimentalists He introduces readers to famous show animals he has helped including Bogie and Bacall of Key Largo And most fascinating he describes his struggles to deprogram and rehabilitate dolphins emotionally scarred from years of captivity struggles that become battles for the animals souls
