Office of Organizational Analysis has been disbanded Charley Castillo and his colleagues have retired and the sudden death of the President has brought an adversarial Commander in Chief into the Oval Office But just because Castillo is out of the government doesn't mean he's out of business He still has the skills and the manpower to do what others can't or won't do And his first job is a real killer A barrel filled with some nightmarishly lethal biohazard material has been shipped to an Army medical lab material that Castillo and his men were supposed to have destroyed on a mission Clearly the message is that more of the deadly material remains But who has it And what do they want With lives at stake including his own Castillo knows that he's not going to like the answers one damn bit *The Inner Seven* William E. Oliver, Dwight L. Lorenz, 1999

Author William E Oliver chronicles the lives and exploits of seven citizens who answered the call to military duty None of the seven could have suspected that the combat record compiled in Korea when added to that compiled in WWII would isolate them as the only seven of many thousand aviators who would qualify for inclusion in the annals of history as The Inner Seven
