Behind The Veil The Guide To True Worship:

Behind the Veil Sharon Green, 2015-11-23 Throughout the ages it is unfortunate that the topic of sex has more popularity than the name of Jesus. It was never the intention of God that the act of intimacy would replace the true intimate relationship between Father God and His children. This book is designed to restore purposeful worship to the Father and provide intent understanding and application in order to guide you Behind the Veil where the Forerunner has gone on our behalf. Worship to give reverence to is more than an external act, posture or position. It is an integral part of communing with Father God. It is a substantial requirement for all believers in order to impact and make great exploits in the world as examples of Christ. What is Father God's intent for true worship? What constitutes a true worshipper and why is God seeking those to worship Him? This book rightly divides the Word and reveals our Father's desire and intent for true worship. It will move you from the immediate thought of worship as music and provide the biblical knowledge, understanding and application of worship in order to distinguish it separately from praise. It shall reveal the truth that praise is a by-product of your soul and worship is a by-product of your spirit. It is only in the presence of God that He is revealed wholly to Believers as we enter into His presence empty and depart full. It is impossible to successfully represent the God we serve without spending time in His presence, having no familiarity with His voice in order to hear the instructions and without choosing to surrender that He may be made manifest. Behind the Veil provides the key that unlocks the answers to why some talk about worship and others enjoy a life of peace engaged in true worship.

The Heretic's Guide to Doctrine Daboniel Hereticus, 2020-03-19 This book is intended to open Christians' minds up to other Christians and to help improve dialog between them. It deals with where a lot of them are coming from doctrinally and the problems to be dealt with on both sides. There is a core to all true Christians that should bind us, but we cannot do that as long as we cannot be open with our differences and open-minded enough to understand why some people believe what they do. Mature Christians should be able to talk about the elephant in the room. I am of the firm belief that if everybody was coming from the Bible with what they believed, we would have a lot more agreement. And the world would hate us all the more. I certainly do not expect every Christian to agree with me on everything. It is not for nothing I call myself Hereticus.
