Behind Every Choice Is A Story:

Behind Every Choice is a Story Gloria Feldt, Carol Trickett Jennings, 2002 Stories of courage passion dedication endurance and vision *Rosie's Daughters* Matilda Butler, Kendra Bonnett, 2007 Meet Rosie's Daughters in this collective memoir of American women born during World War II precursors of the Baby Boom generation Their stories will inform entertain and surprise you In these in depth interviews they are declaring their place in history *Pro-Life, Pro-Choice* Bertha Alvarez Manninen, 2014-09-05 In this provocative and accessible book the author defends a pro choice perspective but also takes seriously pro life concerns about the moral value of the human fetus questioning whether a fetus is nothing more than mere tissue She examines the legal status of the fetus in the recent Personhood Amendments in state legislatures and in Supreme Court decisions and asks whether Roe v Wade should have focused on the viability of the fetus or on the bodily integrity of the woman Manninen approaches the abortion controversy through a variety of perspectives and ethical frameworks She addresses the social circumstances that influence many women's decision to abort and considers whether we believe that there are good and bad reasons to abort Manninen also looks at the call for post abortion fetal grieving rituals for women who desire them and the attempt to make room in the pro choice position for the views of prospective fathers The author spells out how the two sides demonize each other and proposes ways to find degrees of convergence between the seemingly intractable positions *Abortion in the United States* Dorothy E. McBride, 2007-10-16 This work is a balanced presentation of the pro life pro choice controversy showing all aspects of the debate and why it is so difficult to resolve *Abortion in the United States A Reference Handbook* offers a balanced objective look at the ultimate wedge issue in American culture This volume offers a revealing history of abortion politics and policy from the 1800s to Roe v Wade to the present with clear analyses of disputes such as public funding for abortion the status of the fetus contraception abortion as a litmus test for candidates and judicial nominees and more A separate chapter looks at abortion politics throughout the world and places the United States in a global context Biographies of major players extensive data and documents and a bibliography of important resources make this an essential resource on one of the most controversial topics in our national dialog **The Bloomsbury Handbook of Solitude, Silence and Loneliness** Julian Stern, Christopher A. Sink, Wong Ping Ho, Malgorzata Walejko, 2021-11-18 The Bloomsbury Handbook of Solitude Silence and Loneliness is the first major account integrating research on solitude silence and loneliness from across academic disciplines and across the lifespan The editors explore how being alone in its different forms positive and negative as solitude silence and loneliness is learned and developed and how it is experienced in childhood and youth adulthood and old age Philosophical psychological historical cultural and religious issues are addressed by distinguished scholars from Europe North and Latin America and Asia [The Handbook of Solitude](#) Robert J. Coplan, Julie C. Bowker, 2014-02-03 This reference work offers a comprehensive compilation of current psychological research related to the construct of solitude Explores numerous psychological perspectives on

solitude including those from developmental neuropsychological social personality and clinical psychology Examines different developmental periods across the lifespan and across a broad range of contexts including natural environments college campuses relationships meditation and cyberspace Includes contributions from the leading international experts in the field Covers concepts and theoretical approaches empirical research as well as clinical applications *Partisan Rhetoric and Polarization* Robert X. Browning, 2024-12-15 *Partisan Rhetoric and Polarization* The Year in C SPAN Archives Research Volume 10 features chapters written from a variety of perspectives that address divisions in American politics The topics range widely including TikTok abortion the middle class the January 6 riot and partisan rhetoric in Congress The unifying theme of the volume is that each author uses C SPAN videos to examine how members of Congress and other elites speak and act on these issues Two other thoughtful pieces examine Supreme Court justices speaking off the bench and emotional reactions in presidential debates *Partisan Rhetoric and Polarization* provides context to understand how the partisan split in American politics is reflected and evidenced in even the highest political institutions Congress the presidency and the Supreme Court *A MILLION MILES AND COUNTING: A Story Behind Every Mile* Gloria Jean Hansen, 2023-02-09 I love driving I have driven since I was six and learned on the old Farmall tractor from childhood days in rural Northern Ontario We never had a car growing up I swore when I grew up I would drive somewhere every day My happiest place is behind the wheel Home nursing gave me that perk and every patient I visited turned out another story names never used and situations slightly changed to assure privacy for participants My mother lived a thousand miles across the province from us so in order to ensure my little ones knew their grandmother well we often dropped everything and headed for Grandma s Each of those road trips was a story in itself Something of note would happen every time we set out on such a journey For instance my daughter and I were at one time both nursing new babies and THAT is yet another book Between the uprooted schedule we both maintained for our babies we did not take into consideration that our nerves would get the best of us I recall my daughter saying she was headed for the river bank halfway to our destination and don t bother coming to get her I could keep both babes since it was obvious she knew nothing about mothering I swear I don t recall questioning her parenting but to this day she claims I did Loudly Could have been something to do with the fact my last baby was born when I was 45 not much left in the patience locker I am an obsessive fisherman My fishing rod is always in the trunk I would travel out of my way for one little cast to see if fish are biting at a nearby lakeshore or I would jump into my boat and be gone for hours sometimes days after the big catch Those lake trips added many miles to my log of distance and stories I also play music in a bluegrass band with my daughter We log many many miles gong to festivals practices and local and regional musical events I have always had a rather large vehicle to contain in the early years kids and all their quilts and cuddle toys and sippy cups and anything else they snuck on board Later years I had to carry medical supplies briefcases office supplies and the like for work then instruments and sound equipment for the festival circuit and a front seat filled with coffee maker and a sizeable

cooler for the many meals I had to consume while driving At all times I carried a clipboard and attached pen to record the noteworthy things that happened on my various trips Those clipboards filled quickly In later years it was a laptop and or tablet and cell phone gracing my passenger seat Since my nursing career began in the early seventies and motherhood as well and musician matters all my life plus the fishing and the snowmachine miles you can imagine I had ample grist for this Million Miles mill The book is filled with my life on the road a memoir **Behind Every Good Decision** Piyanka Jain,Puneet Sharma,2014-11-05 There is a misconception in business that the only data that matters is BIG data and that elaborate tools and data scientists are required to extract any practical information However nothing could be further from the truth If you feel that you can t understand how to read let alone implement these complex software programs that crunch the data and spit out more data that will no longer be a problem Authors and analytics experts Piyanka Jain and Puneet Sharma demystify the process of business analytics and demonstrate how professionals at any level can take the information at their disposal and in only five simple steps using only Excel as a tool make the decision necessary to increase revenue decrease costs improve product or whatever else is being asked of them at that time In Behind Every Good Decision you will learn how to Clarify the business question Lay out a hypothesis driven plan Pull relevant data Convert it to insights Make decisions that make an impact Packed with examples and exercises this refreshingly accessible book explains the four fundamental analytic techniques that can help solve a surprising 80 percent of all business problems It doesn t take a numbers person to know that is a formula you need The Filmmaker's Eye Gustavo Mercado,2013-05-20 This is the only book that combines conceptual and practical instruction on creating polished and eloquent images for film and video with the technical know how to achieve them Loaded with hundreds of full color examples The Filmmaker s Eye is a focused easy to reference guide that shows you how to become a strong visual storyteller through smart effective choices for your shots This book has struck a chord worldwide and is being translated into several languages After a short introduction to basic principles a variety of shots are deconstructed in the following format Why It Works an introduction to a particular type of shot How It Works callouts point out exactly how the shot works the way it does the visual rules and technical aspects in action Technical Considerations the equipment and techniques needed to get the shot Breaking the Rules examples where the rules are brilliant subverted
