Beck,2014-10-22 Leader of the Santee Sioux Inkpaduta 1815 79 participated in some of the most decisive battles of the northern Great Plains including Custer s defeat at the Little Bighorn But the attack in 1857 on forty white settlers known as the Spirit Lake Massacre gave Inkpaduta the reputation of being the most brutal of all the Sioux leaders Paul N Beck now challenges a century and a half of bias to reassess the life and legacy of this important Dakota leader In the most complete biography of Inkpaduta ever written Beck draws on Indian agents correspondence journals and other sources to paint a broader picture of the whole person showing him to have been not only a courageous warrior but also a dedicated family man and tribal leader who got along reasonably well with whites for most of his life Beck sheds new light on many poorly understood aspects of Inkpaduta s life including his journeys in the American West after the Spirit Lake Massacre Beck reexamines Euro American attitudes toward Indians and the stereotypes that shaped nineteenth century writing showing how they persisted in portrayals of Inkpaduta well into the twentieth century even after more generous appreciations of American Indian cultures had become commonplace Long considered a villain whose passion was murdering white settlers Inkpaduta is here restored to more human dimensions Inkpaduta Dakota Leader shatters the myths that surrounded his life for too long and provides the most extensive reassessment of this leader s life to date      *American Regional Folklore* Terry Mood Leopold,2004-09-24 An easy to use guide to American regional folklore with advice on conducting research regional essays and a selective annotated bibliography *American Regional Folklore* begins with a chapter on library research including how to locate a library suitable for folklore research how to understand a library s

Dakota in Exile Linda M. Clemmons, 2019-05-15 Robert Hopkins was a man caught between two worlds As a member of the Dakota Nation he was unfairly imprisoned accused of taking up arms against U S soldiers when war broke out with the Dakota in 1862 However as a Christian convert who was also a preacher Hopkins s allegiance was often questioned by many of his fellow Dakota as well Without a doubt being a convert and a favorite of the missionaries had its privileges Hopkins learned to read and write in an anglicized form of Dakota and when facing legal allegations he and several high ranking missionaries wrote impassioned letters in his defense Ultimately he was among the 300 some Dakota spared from hanging by President Lincoln imprisoned instead at Camp Kearney in Davenport Iowa for several years His wife Sarah and their children meanwhile were forced onto the barren Crow Creek reservation in Dakota Territory with the rest of the Dakota women children and elderly In both places the Dakota were treated as novelties displayed for curious residents like zoo animals Historian Linda Clemmons examines the surviving letters from Robert and Sarah other Dakota language sources and letters from missionaries newspaper accounts and federal documents She blends both the personal and the historical to complicate our understanding of the development of the Midwest while also serving as a testament to the resilience of the Dakota and other indigenous peoples who have lived in this region from time immemorial
