Being Christian Baptism Bible Eucharist Prayer:

Being Christian Rowan Williams, 2014-07-23 In this simple beautifully written book Rowan Williams explores four essential components of the Christian life baptism Bible Eucharist and prayer Despite huge differences in Christian thinking and practice both today and in past centuries he says these four basic elements have remained constant and indispensable for the majority of those who call themselves Christians In accessible pastoral terms Williams discusses the meaning and practice of baptism the Bible the Eucharist and prayer inviting readers to really think through the Christian faith and how to live it out Questions for reflection and discussion at the end of each chapter help readers to dig deeper and apply Williams's insights to their own lives

Divine Scripture in Human Understanding Joseph K. Gordon, 2019-03-15 In six closely reasoned chapters Joseph Gordon presents a detailed account of a Christian doctrine of Scripture in the fullest context of systematic theology Divine Scripture in Human Understanding addresses the confusing plurality of contemporary approaches to Christian Scripture both within and outside the academy by articulating a traditionally grounded constructive systematic theology of Christian Scripture Utilizing primarily the methodological resources of Bernard Lonergan and traditional Christian doctrines of Scripture recovered by Henri de Lubac it draws upon achievements in historical critical study of Scripture studies of the material history of Christian Scripture reflection on philosophical hermeneutics and philosophical and theological anthropology and other resources to articulate a unified but open horizon for understanding Christian Scripture today Following an overview of the contemporary situation of Christian Scripture Joseph Gordon identifies intellectual precedents for the work in the writings of Irenaeus Origen and Augustine who all locate Scripture in the economic work of the God to whom it bears witness by interpreting it through the Rule of Faith Subsequent chapters draw on Scripture itself classical sources such as Irenaeus Origen Augustine and Aquinas the fruit of recent studies on the history of Scripture and the work of recent scholars and theologians to provide a contemporary Christian articulation of the divine and human locations of Christian Scripture and the material history and intelligibility and purpose of Scripture in those locations The resulting constructive position can serve as a heuristic for affirming the achievements of traditional historical critical and contextual readings of Scripture and provides a basis for addressing issues relatively underemphasized by those respective approaches

Worshipful James C. Howell, 2017-02-08 What does it look and feel like to be worshipful Can we find a way to worship in such a robust thoughtful way that when we aren't in worship the worship might linger and invigorate us Is it possible to live in the world doing the dishes listening to music being stuck in traffic enmeshed in a thicket of meetings at work with a serene abiding sense of God's presence despite all the racket that we might do whatever we do for God and sense God's presence And maybe more importantly could all we do between Sundays grocery shopping paying bills listening to music taking a walk visiting aging parents actually enrich and inform what we do on Sunday morning making worship itself more vigorous profound just plain real and memorable and thus heightening the likelihood that the worship will linger

through the rest of the week This book is about living a worshipful life understanding why we do what we do in Sunday morning worship and then re enacting those moods and actions all week long *Following Jesus in the Holy Land* Stephen Need,2019-09-01 Reflecting on the key locations of Jesus life and ministry this book invites Holy Land visitors and armchair pilgrims to reflect on Christian discipleship through Advent and Lent **Eating with Jesus** Robert D. Cornwall,2025-03-31 You go to church on a Sunday morning It s Communion Sunday and when it comes time for Communion the presider issues an invitation on behalf of Jesus because it s Jesus table not the church s table However this invitation includes qualifiers Are you baptized Are you a member of the denomination Do you affirm the church s doctrinal statement Have you repented of your sins In other words are you worthy In *Eating with Jesus* Robert Cornwall asks whether these fences around Christ s table reflect Jesus practice of table fellowship If not shouldn t the fences be removed so that everyone is welcome at Christ s table where followers of Jesus might be nourished for missional service in the world while strangers might experience God s love and grace at the same table Through foundational essays and meditations on the stories of Jesus practice of table fellowship Cornwall invites the reader to envision how a truly open eucharistic table where the traditional fences are removed might serve as a crossroads where divine encounters with Jesus can occur that make available God s grace to all who gather at the table through the ministrations of the Holy Spirit wherever they may be on their spiritual journey *Acts* Dean Pinter,2019-04-09 A new commentary for today s world The *Story of God Bible Commentary* explains and illuminates each passage of Scripture in light of the Bible s grand story The first commentary series to do so SGBBC offers a clear and compelling exposition of biblical texts guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts Its story centric approach is ideal for pastors students Sunday school teachers and laypeople alike Each volume employs three main easy to use sections designed to help readers live out God s story LISTEN to the Story Includes complete NIV text with references to other texts at work in each passage encouraging the reader to hear it within the Bible s grand story EXPLAIN the Story Explores and illuminates each text as embedded in its canonical and historical setting LIVE the Story Reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers teachers and students *Acts* The question of Luke s purpose for writing this book has long been a topic of debate among Christians Some see it as an apologetic defense against the misunderstandings of the Roman Empire Others maintain that Luke s audience was primarily Christian and the story of *Acts* offers pastoral encouragement Still others believe that *Acts* was written to address theological issues facing the early church In the end no single purpose may be able to account for all the rich complexity that exists in *Acts* Edited by Scot McKnight and Tremper Longman III and written by a number of top notch theologians The *Story of God Bible Commentary* series will bring relevant balanced and clear minded theological insight to any biblical education or ministry **The Sparkle from the Coal** Barbara Howard,2024-10-31 Perhaps one of the least appreciated aspects of Rowan Williams is his theology of imagination Seeking to fill this gap this book explores the

imaginative impulse operative in Rowan Williams theology and poetry which centres around the notion of divine desire and the way in which imagination can reveal possibility even in the bleakest of circumstances Drawing on his poetic work as well as his theological writing the book explores how Williams theology leads us to a fresh understanding of the ways in which the renewing and enabling energy of the Holy Spirit is ever active within and beyond the Church in enabling human imaginations to cooperate with the divine energy of love in bringing creation to fulfilment **A Saint for East and West** Daniel

Haynes,2019-01-10 In 1054 CE the Great Schism between Eastern and Western Christianity occurred and the official break of communion between the two ancient branches of the church continues to this day There have been numerous church commissions and academic groups created to try and bridge the ecumenical divides between East and West yet official communion is still just out of reach The thought of St Maximus the Confessor a saint of both churches provides a unique theological lens through which to map out a path of ecumenical understanding and hopefully reconciliation and union Through an exposition of the intellectual history of Maximus theological influence his moral and spiritual theology and his metaphysical vision of creation a common Christianity emerges This book brings together leading scholars and thinkers from both traditions around the theology of St Maximus to cultivate greater union between Eastern and Western Christianity
