George Yeo: Musings - Series Three George Yong-boon Yeo, 2023-08-25 George Yeo *Musings* In 3 Volumes available as a set here Over sessions which lasted two to three hours each time every week for half a year George Yeo met and mused over a wide range of topics with writer Woon Tai Ho and research assistant Keith Yap Speaking from notes he began with himself and his hope for Singapore and then spanned over a wide range of subjects from the importance of human diversity and Singapore's reflection within itself of the world to history politics economics philosophy taijigong and religion He gives his views on India China ASEAN Europe the US and other parts of the world and how Singapore's history and destiny are connected to all of them The style is conversational and anecdotal *George Yeo Musings* is exactly that musings Some themes recur throughout the book which reflect his view of life But there is no grand theory He does not expect all of his reflections to be of interest to everyone but he hopes that everyone will find something of interest This is the third of a three part series

Communication Ethics Kathleen Glenister Roberts, Ronald C. Arnett, 2008 This volume occasions a dialogue between major authors in the field who engage in a conversation on cosmopolitanism and provinciality from a communication ethics

perspective There is no consensus on what constitutes communication ethics cosmopolitanism or provinciality the task is more modest and diverse and began with contributors being asked what the bias of their work suggests or offers for understanding the theme Communication Ethics Between Cosmopolitanism and Provinciality Rather than responding authoritatively each essay acknowledges the contributor s own work This book offers no answers but invites a conversation that is more akin to a beginning a joining an admission that there is more than me us or my kind of people theory or wisdom The book will be an excellent resource for instructors and for upper level undergraduate and graduate courses in communication

HRD in a Complex World Monica Lee,2004-03-01 Human Resource Development in a Complex World presents a strong challenge to traditional Human Resource Development Internationally renowned authors address HRD from within the notions and language of complexity presenting multifaceted alternative perspectives to the current practice and theory of HRD

The Language of Memory in a Crosslinguistic Perspective Mengistu Amberber,2007-11-14 This book offers for the first time a detailed comparative study of how speakers of different languages express memory concepts While there is a robust body of psycholinguistic research that bears on how memory and language are related there is no comparative study of how speakers themselves conceptualize memory as reflected in their use of language to talk about memory This book addresses a key question how do speakers of different languages talk about the experience of having prior experiences coming to mind remembering or failing to come to mind forgetting A complex array of answers is provided through detailed grammatical and semantic investigation of different languages including English German Polish Russian and also a number of non Indo European languages Amharic Cree Dalabon Korean and Mandarin In addition the book calls for a broader interdisciplinary engagement by urging that cognitive semantics be integrated with other sciences of memory

The Philosophy of Umberto Eco Sara G. Beardsworth,Randall E. Auxier,2017-05-09 The Philosophy of Umberto Eco stands out in the Library of Living Philosophers series as the volume on the most interdisciplinary scholar hitherto and probably the most widely translated The Italian philosopher s name and works are well known in the humanities both his philosophical and literary works being translated into fifteen or more languages Eco is a founder of modern semiotics and widely known for his work in the philosophy of language and aesthetics He is also a leading figure in the emergence of postmodern literature and is associated with cultural and mass communication studies His writings cover topics such as advertising television and children s literature as well as philosophical questions bearing on truth reality cognition language and literature The critical essays in this volume cover the full range of this output This book has wide appeal not only because of its interdisciplinary nature but also because of Eco s famous high and low approach which is deeply scholarly in conception and very accessible in outcome The short essay Why Philosophy included in the volume is exemplary in this regard it will appeal to scholars for its wit and to high school students for its intelligibility

Mental States Andrea C. Schalley,Drew Khlentzos,2007-12-13 The contributions to this volume focus on what language and language use reveals

about cognitive structure and underlying cognitive categories Wide ranging and thought provoking essays from linguists and psychologists within this volume investigate the insights conceptual categorization can give into the organization and structure of the mind and specific mental states Topics and linguistic phenomena discussed include narratives and story telling language development figurative language linguistic categorization linguistic relativity and the linguistic coding of mental states such as perceptions and beliefs With contributions at the forefront of current debate this book will appeal to anyone with an interest in language and the cognitive structures that support it Faith and Unbelief Stephen Bullivant, 2013-09-16 Offers a rounded understanding of the development of atheism its many faces and the places where Christian faith modern day unbelief interact It asks Can a rational person still believe in God What does the rise in atheism in Christian countries say about the church How can Christians present the gospel in a world of unbelief
