J. Smith, 2021-04-26 Imagine with me If you will you are a child in an abusive family situation Late one night you are called down from your bed and beat terribly The beating was not the first time and more than likely not the last The abuser sends you back to your bed with a broken and bruised body and spirit Looking forward to what life holds for you you see a grim future and nothing good happening You have finally climbed those fifteen steps reached your bed lay down and suffered Then out of the attic walk these creatures You are not sure what or who they are but they are the same shape as you They are all white have hands feet eyes mouth and nose They are no taller than you What would you call them Me I call them my Little White People Now this is not the first time they have come out to visit And like any child when they walk toward the bed you cover up your head But this time you are not afraid When they come over you have decided to touch and walk with them Somehow they take your pain away just because you decided to join them Imagine now being gently pushed toward the attic door Somehow one of the Little White People transforms the door which

leads to You are not sure but you are willing to take a step hoping for something better Imagine what might be if only a little boy reached out to touch a finger **The Taste of Apples** Huang Chun-ming,2001-04-18 From the preeminent writer of Taiwanese nativist fiction and the leading translator of Chinese literature come these poignant accounts of everyday life in rural and small town Taiwan Huang is frequently cited as one of the most original and gifted storytellers in the Chinese language and these selections reveal his genius In The Two Sign Painters TV reporters ambush two young workers from the country taking a break atop a twenty four story building His Son s Big Doll introduces the tortured soul inside a walking advertisement and in Xiaoqi s Cap a dissatisfied pressure cooker salesman is fascinated by a young schoolgirl Huang s characters generally the uneducated and disadvantaged who must cope with assaults on their traditionalism hostility from their urban brethren and of course the debilitating effects of poverty come to life in all their human uniqueness free from idealization *Trust Me, I'm Dead* Sherryl Clark,2019-07-25 She hasn t seen her brother in years Now he s dead When Judi

Get Out of My Life Suzanne Franks,Tony Wolf,2014-12-11 Teenagers are tough and anyone who has their own needs help Witty enjoyable and genuinely insightful *Get Out of My Life* is now updated with how to deal with everything from social media to online threats and porn as well as looking at all the difficult issues of bringing up teenagers school sex drugs and more But it s the title of the second chapter What They Do and Why that best captures the book s spirit and technique

explaining how to translate teenage behaviour into its true often less complicated meaning One key mistake for instance is getting in no win conflicts instead of having the wisdom to shut up when shutting up would be the most effective albeit least satisfying thing to do Another is taking offence when the teenager views you the adult as idiotic And there s advice on what to do when this happens The message is clear parenting adolescents is inherently difficult Don t judge yourself too harshly
