Believer Beware First Person Dispatches From The Margins Of Faith:

Believer, Beware Jeff Sharlet, Peter Manseau, 2009-07-01 A Killing the Buddha Anthology The second collection to spring from KillingTheBuddha.com Believer Beware presents true tales of sex ed in Catholic school, witches in Kansas, sects and the city, Buddhists in the barbershop, Sufis under your nose, an adolescent Jewish messiah in Queens, and more. In a world riven by absolute convictions, these ambivalent confessions, skeptical testimonies, and personal revelations speak to the subtler and stranger dilemmas of faith and doubt, of religion lost and found and lost again. **A River Runs Again** Meera

Subramanian, 2015-08-25 Crowded, hot, subject to violent swings in climate with a government unable or unwilling to face the most vital challenges, the rich and poor increasingly living in worlds apart, for most of the world, this picture is of a possible future. For India, it is the very real present. In this lyrical exploration of life, loss, and survival, Meera Subramanian travels in search of the ordinary people and microenterprises determined to revive India's ravaged natural world. An engineer turned farmer brings organic food to Indian plates, villagers resuscitate a river run dry, cook stove designers persist on the quest for a smokeless fire, biologists bring vultures back from the brink of extinction, and in Bihar, one of India's most impoverished states, a bold young woman teaches adolescents the fundamentals of sexual health. While investigating these five environmental challenges, Subramanian discovers the stories that renew hope for a nation with the potential to lead India and the planet into a sustainable and prosperous future. *The Maiden of All Our Desires* Peter Manseau, 2022-02-15

For fans of Lauren Groff, Maggie O'Farrell, and Emma Donoghue, a devastating novel of love, intrigue, and community in a time of sickness that remade the world. Fourteenth-century Europe: The Black Death has killed half the known world, and in an isolated convent, a small group of nuns spends their days in work, austerity, and devotion, chanting the Liturgy of the Hours. But their community is threatened. Rumors of heresy and a scandalous Book of Ursula, based on the teachings of the charismatic former abbess and founder of the order, have prompted the male church hierarchy to launch an investigation. The priest assigned to minister to the nuns, Father Francis, who is wracked by guilt for an unspeakable crime committed during the lawless plague years, was no friend of Ursula and can't be counted on to defend the order. Disrespect and rebellion infect some novices, and the youngest among them pines for the bishop's chief inquisitor. And Mother John, the convent's aging spiritual leader, fears she's losing her mind after experiencing a vision that brings back her own rebellious past. As events unfold over the course of a single day, a blizzard that has swept across Europe will break over the convent, endangering the women there and testing their faith. In this astonishing novel, the author of the award-winning *Songs for the Butcher's Daughter* explores the territory between faith and freedom and how the horrific events of history shape individual lives.
