The Bell Ringing Woman Nithin Purple,2015-12-18 The Bell Ringing Woman tells him inspiration from behind the paths of his travel he reaches the European world as his insight travels He moves across the Mediterranean and finds pastoral Greece and ponders with dreams where he cries for his lost love in the midst of a reality like dream He wakes from bed and searches for her but cant see her then says adieu to her with the relief that the bell ringing woman is with him He visits Italy and sees Florence where the talisman of European renaissance once rested He has to move to Ireland where he reaches Aran Islands describes his sins in life and finds remorse by an Irish priest who gives him a new life After leaving there the bell ringing woman guides him to Germany where he becomes a Nature lover He has direful views about revolution demolishing world politics enmity and Religious riots There he was killed by a dream The journey is literally a mystic soul to human communication

Venus and Crepuscule Nithin Purple,2016-12-08 Silently the poet revenges a prideful society as he puts his rhyme one after one onto the paper blood drips from his pen when he writes with an extremely agitated mind Nothing makes him happy except his solitary state He travels at times when he gets opportunity to collect beauty surrounded by the kind nature Curiosity sparks from his brain to research and lights the lamps of visions When the bitter world ignored him the very sadness captured his mind Then darkness and dread visions followed him Each poem he composes begins to live in its own truth as they have the flavors of his extremely experienced incidents of life By blending his mind s conceived elements of both charm and gloom the poet delivers to the world his fine lyrical work He details with notes below every poem the cause of its invention
