

Fundamentals

- **Shooting**--Shooting is a fun skill to practice. To be a good shooter, you must have great form. If you have good form, your shooting will become easier and more accurate.
- **Ball Handling**--To have great ball handling, you should always have total control of the ball. Good ball handling skills are important for every position.
- **Rebounding**--If a team wants to win, every person on the floor must rebound. If one person does not do their job, the whole team will suffer. Rebounding is all about hard work.
