Deliverance and Spiritual Warfare Manual John Eckhardt,2014 Identifies specific demons spirits strongholds and other elements of darkness and offers biblical teachings and strategies for defeating them and achieving self deliverance **The Nightwatchman** Lorna Couillard,2020-07-29 Is God interested in your everyday life trials sorrows grief Yes indeed How often have we heard people say God doesn't care about our troubles and God helps those who help themselves Well people can live that way for a while as long as they have the strength but the time comes when strength fails and many fall into the ditch of life and never get up I've found when we fail when we lose our strength to go on when we can't put on a good front for people and they may walk out the door if we will just call his Name He will come in Whatever the problem whatever the trial whatever the circumstances He is only a prayer away a whisper is all it takes and I've learned through a lifetime of depending on Him He never fails He hears and answers prayer It may not be overnight and He may test you to see if you'll stand in faith But He's proven to me beyond any doubt His ears are open to the cries of His people In my life's journey I've accumulated a lifetime of journal accounts of answers to specific prayers for my own personal needs and in intercession concerning nations It's my hope and prayer that those who read this story will see a consistent pattern of standing against the forces of darkness and gaining ground in prayer and victory in the storms and adversities of life What God has done for me He will do for anyone if they'll just open the door of their heart and let Him in *American Exorcism* Michael W. Cuneo,2002-10-15 A guided tour through the burgeoning business of exorcism and the darker side of American life There is no other religious ritual more fascinating or more disturbing than exorcism This is particularly true in America today where the ancient rite has a surprisingly strong hold on our imagination and on our popular entertainment industry We've all heard of exorcism seen the movies and read the books but few of us have ever experienced it firsthand Conducted by exorcists officially appointed by Catholic archdioceses and by maverick priests sidestepping Church sanctions by evangelical ministers and Episcopal charismatics exorcism is alive and well in the new millennium Oprah Diane Sawyer and Barbara Walters have featured exorcists on their shows The New York Times Los Angeles Times Time and other publications have charted the proliferation of exorcisms across the United States Last year the Archdiocese of Chicago appointed its first full time exorcist in its 160 year history in New York four priests have officially investigated about forty cases of suspected possession every year since 1995 American Exorcism is an inside look at this burgeoning phenomenon written with objectivity insight and just the right touch of irony Michael W Cuneo attended more than fifty exorcisms and interviewed many of the participants both the exorcists who performed the rituals and the people from all walks of life who believed they were possessed by the devil He brings vividly to life the ceremonies themselves conjuring up memories of Linda Blair's astonishing performance in the 1973 movie The Exorcist and other bizarre and sometimes stomach churning images Cuneo dissects as well the arguments of

such well known exorcism advocates as Malachi Martin author of the controversial Hostage to the Devil self help guru M Scott Peck and self professed demonologists Ed and Lorraine Warren of Amityville Horror fame As he explores this netherworld of American life Cuneo reflects on the meaning of exorcism in the twenty first century and on the relationship between religious ritual and popular culture Touching on such provocative topics as the satanic panics of the 1980s repressed memory and ritual abuse American Exorcism is a remarkably revealing consistently entertaining work of cultural commentary The Storm Is Over Now Danton L Ballard,2004-06 From the Gangs of Watts Los Angeles to an accuse Minister Behind Bars This is P O W In God s Army We all are soldiers once we accept Jesus Christ as our Personal Savior It s very important to know that what ever we did we will reap what we sow one way or another Pray for others and forgive others never think that you are better than anyone God is no respect of persons what he will do for you He ll do for everybody My story is not fiction but true facts I want the world to know that there are forces out there that torment and possess mankind If you have opened up any doors to the Devil it s time to close them by the blood of Jesus Christ God has made man with a strong Sex drives it s up to us to control it and not let it control us Man s main weakness is Sex Let s wake up men and take a stand for what s right and moral then we will have a better society to live in Don t allow youthful lust which destroys the soul destroy us I have no animosity against anyone of these people in this book I have forgiven them and myself They are in the hand of a Living God I m willing to continue on fighting against Sexual Immorality This fight is until death I will win with Jesus Christ as my Commander in Chief The only thing I desire is People being set free If you ll looking for the truth then read this book If you ll looking for lies this book is not for you Please pray for me and I will pray for you May Jesus Christ richly bless you and Deliver you from Sin **Book Publishers Directory** ,1983 **Publishers Directory** ,1994
