Atheist Awakening Richard Cimino, Christopher Smith, 2014-10-24 Atheist

Awakening is a groundbreaking study of the growth and revitalization of the atheist movement in the U S Through in depth interviews and observation of atheist gatherings the authors find that much of this awakening has come about as atheists have engaged in new forms of activism and community building The book portrays a new atheism one that has revised strategies to wage a powerful defensive and offensive battle against their ideological and political antagonists **Religion**

and the New Atheism Amarnath Amarasingam, 2010 The term new atheism has been given to the recent barrage of bestselling books written by Richard Dawkins Sam Harris Daniel Dennett Christopher Hitchens and others These books and their authors have had a significant media presence and have only grown in popularity over the years This book brings together scholars from religious studies science sociology of science philosophy and theology to engage the new atheism and place it in the context of broader scholarly discourses This volume will serve to contextualize and critically examine the claims arguments and goals of the new atheism so that readers can become more informed of some of the debates with which the new atheists inevitably and at times unknowingly engage This collection will prove to be most valuable to readers who wish to understand the implications and phenomenal success of the new atheism from a multidisciplinary perspective The editor is to be congratulated for assembling such an impressive list of contributions John F Haught Senior Fellow Science Religion Woodstock Theological Center George town University The new atheism a species of secular fundamentalism has excited a great deal of comment and controversy in recent years Religion and the New Atheism raises the discourse to a new

level Randall Balmer Episcopal Priest and author of *The Making of Evangelicalism* Amarasingam's collection of original essays dealing with various aspects of the recent work of new atheists is a most engaging read The chapters included offer a wide array of perspectives touching on numerous aspects and angles of New Atheism and its relationship to contemporary religion While I most definitely did not agree with all of the contributions in the volume and while I am generally more supportive of the new atheists than I am of their detractors I found this volume over all to be a compelling engrossing and provocative contribution Phil Zuckerman Associate Professor of Sociology Pitzer College Author of *Society Without God*

Why I'm Still a Christian Justin Brierley, 2025-04-22 A compelling and intriguing discussion of why believing in God makes the most sense of human existence and our purpose on earth by one of the most respected Christian thinkers of our time Highly readable survey of the reasons for Christian faith Not just an academic exercise Justin has respectfully engaged many thoughtful atheists and sceptics over years which is always a test for a believer The book is therefore very personal it explains how his own faith has emerged while working through the challenges he has received Timothy Keller Popular radio host and podcaster Justin Brierley has been creating and facilitating constructive conversations about faith for more than two decades He is an expert in Christian apologetics and has had a ringside seat as believers and nonbelievers alike have debated Christianity Surprisingly Justin has come out on the other side of these debates more convinced than ever of the truth of Jesus claims and the power of good conversations With this book you get to watch Justin as he engages with the most unlikely of conversation partners from Richard Dawkins to Philip Pullman on the subject of faith You ll understand why Justin after hearing the strongest objections to the Christian faith and religion is still a Christian For him God makes sense of human existence the inherent value of human life and our ultimate purpose on earth With this book you ll explore tough questions with Justin Brierley as your guide Why would God allow suffering Are Christianity and the existence of God compatible with science Is there any evidence for the resurrection And much more Discover the reasons to believe This book is a revised and updated edition of the *Unbelievable* book published in 2017 with a new chapter on deconstruction **Atheist Overreach**

Christian Smith, 2018-09-05 In recent years atheism has become ever more visible acceptable and influential Atheist apologists have become increasingly vociferous and confident in their claims In *Atheist Overreach* Christian Smith takes a look at the evidence and explains why we ought to be skeptical of some key atheists claims about morality science and human nature *Unbelievable?* Justin Brierley, 2017-06-15 Conversations matter Yet recently good conversations about faith have been increasingly squeezed out of the public sphere Seeking to reopen the debate Justin Brierley began to invite atheists and sceptics on to Premier Christian Radio to air arguments for and against the Christian faith But how has ten years of discussion with atheists affected the presenter's faith Reflecting on conversations with Richard Dawkins Derren Brown and many more Justin explains why he still finds Christianity the most compelling explanation for life the universe and everything And why regardless of belief or background we should all welcome the conversation Beautifully written brilliantly argued

Justin's book will thrill Christians and challenge atheists R T Kendall author and pastor Justin has that happy knack of being able to get people of diametrically opposed opinions debating the big issues John Lennox Professor of Mathematics University of Oxford *Why So Many Christians Have Left the Faith* Michael L. Brown, 2023 This book will provide you with the facts and understanding you need to respond to difficult questions biblically and stay rooted in your faith even when others seem to be abandoning theirs We are living in unprecedented times when Christian leaders are renouncing their faith and large numbers of believers are falling away Is this the final apostasy prophesied by Jesus and Paul And can we do anything to help those struggling with their faith In *Why So Many Christians Have Left the Faith* Dr Michael L Brown confronts the problem of Christian deconstruction with solid faith building answers and honest responses to difficult questions
