The McKinnon the Beginning Ranay James, 2016-01-16 You think you are in control of your life Fate asks as she looks down upon this earth If so I advise you to think again No matter one's station in life Fate mocks us all None are exempt a lesson one of King Henry's favorite knights is about to learn the hard way Nic my friend you think Fate's a witch Just wait until you meet her sister Destiny Connor Holden Earl of Featherstone Every story has a beginning often driven by fate The McKinnon The Beginning Part 1 is no exception It is the year of our Lord 1493 and King Henry VII has been seated on the English throne for eight years He did not get there by chance alone Nor has he stayed there with ease He has his favorites generously rewarding those who serve him well Sir Nic McKinnon is at the top of that list For his faithful devotion Nic finds himself graciously rewarded That reward is the hand in marriage to the seventh Duchess of Seabridge The only issue is Nic isn't interested in the bounty and taking a wife is certainly not in his plans However he understands that seeming ungrateful to Henry for his gift or disobeying a king's command is never wise Nic reluctantly agrees to marry but living with his duchess was not one of Henry's stipulations To that end Nic's plan is to marry the young duchess Morgan Pembridge and then leave her to her own designs That is until he finds that she is in danger so much so that she is fleeing for her very life Nic is sworn to protect the king's subjects who cannot protect themselves but more than that no one threatens what belongs to a McKinnon She belongs to him by the king's decree The question now is not whether he marry her and leave her behind the question is much more clear can he keep her alive Not your typical knight in shining armor rescues damsel in distress story The McKinnon The Beginning Part 1 sets the reader on a journey of deep love treachery and mystery of the way time and space collide with characters that are believable This love affair sets the foundation for a strong and solid family legacy that spans centuries in an nine volume series which is certain to take you away Join them on their journey of growth as they ultimately evolve into the McKinnon Legends

The McKinnon the Beginning Ranay James, 2015 Nic my friend you think Fate's a witch Just wait until you meet her sister Destiny Connor Holden Earl of Featherstone Every story has a beginning often driven by fate The McKinnon The Beginning Part 1 is no exception It is the year of our Lord 1493 and King Henry VII has been seated on the English throne for eight years He did not get there by chance alone Nor has he stayed there with ease He has his favorites generously rewarding those who serve him well Sir Nic McKinnon is at the top of that list For his faithful devotion Nic finds himself graciously rewarded That reward is the hand in marriage to the seventh Duchess of Seabridge The only issue is Nic isn't interested in the bounty and taking a wife is certainly not in his plans However he understands that seeming ungrateful to Henry for his gift or disobeying a king's command is never wise Nic reluctantly agrees to marry Living with his duchess was not one of Henry's stipulations To that end Nic's plan is to marry the young duchess and then leave her to her own designs That is until he finds that she is in danger so much so that she is fleeing for her very life Nic is sworn to protect the king's subjects who cannot protect themselves but more than that no one threatens what belongs to a McKinnon

She belongs to him by the king's decree The question now is not whether he marry her and leave her behind the question is much more clear can he keep her alive Unfinished Business Ranay James,2016-01-21 Connor Holden Earl of Featherstone has it all looks money power He is a man with a lot to lose Pride goes before a fall We all know that to be a universal truth And Connor is about to find out exactly how far from grace that fall will take him Part Two of Unfinished Business finds Connor back in King Henry's service Tucked inside King Louis XII's safe are the blueprints for modern war machines designed by master engineer Leonardo da Vinci Connor is charged with the delicate and quite illegal task of stealing them back before the French monarch and his military advisers have the opportunity to produce those war machines which would result in tipping the balance of power in the region Connor knows in taking on this mission he could lose his life He doesn't care Losing Reagan has left him feeling that there is not much left to live for and even more to die for king country and keeping her safe from the aggressors in a war that would certainly touch English soil should he fail in his mission But as long as he draws breath there is hope that one day Reagan will return He just has to survive to fight another day Will he be able to survive The odds are against him If he does survive how can he find his way back to the one love of his life Pride and jealousy are his fatal flaws Is true love enough to bridge the gap If not then Connor stands to lose far more than just money and power He stands to lose his heart and his soul The Legend MacKinnon Donna Kauffman,1999 Acclaimed Loveswept author Donna Kauffman brings together three warrior brothers from 17th century Scotland and three modern American women in this irresistible supernatural romance An ancient curse has sentenced the MacKinnon brothers to terrible fates and only the Claren women can break the spell But the two clans are long standing enemies Unfinished Business Ranay James,2016-01-21 FATE The development of events beyond a person's control regarded as determined by a supernatural power Fate can be kind She can also be a spiteful bitch That is something Connor Holden Earl of Featherstone has discovered through firsthand experience But if he thinks Fate's a witch Just wait He's about to meet her sisters Destiny and Luck They will make Fate's deeds look like child's play Just because time travel is possible does not mean time stands still Furthermore Connor doesn't care if it stands still or not For him time no longer holds any meaning Much has happened in the five years since Reagan disappeared through the curtain of time taking Cullen McKinnon with her in the hope of saving the young knight's life The least of those events is Henry's awarding Connor the titles of Duke of Featherstone and Earl of Rockport Upon Connor's request the earldom was passed into his care to hold until the rightful heir can take possession No one but Nic Morgan and he knew that the heir is Reagan O Riley He just has to keep the faith that she will eventually return Connor has always been a prime catch but this latest news sends his stock soaring to new heights The titles did not come without stipulation from King Henry You must marry Connor and make it soon I like you have little patience these days Henry was quite emphatic Conjecture is rampant and expectation is running high in the ranks of the nobility All are anxiously awaiting the announcement Who exactly is to become his duchess Connor is running out of time In this instance he prayed

time would stand still Finding herself stranded in the twentieth century Reagan feels lost Grieving the loss of those she has grown to love and had to leave behind she wonders how she will adjust Having no job no home and no identification are secondary to her feelings that she just does not belong in the twentieth century It feels so wrong Rafe McKinnon native Texan and MD is called in to perform the lifesaving surgery on the young knight Cullen Realizing Reagan is adrift he follows her into the garden just to be sure she doesn't need medical assistance Time travel can be hard on the human body and this time was no exception Realizing how distraught Reagan is he wants to help her get home He vows to do whatever he can realizing that he just might be her only hope Fate it seems would agree
