Cosmic Codes Chuck Missler, 2004 *Leviticus: Learning to Be Holy* Mark Whitehead, 2019-12-10 Be holy for I am holy Leviticus 11:44 God wants His people to be holy But how do we do it What does it really look like to be holy The book of Leviticus is essential in understanding what it means to be holy Unfortunately it has largely been neglected in study over the years by believers in Jesus Christ What if God gave specific principles in Leviticus that would be vital for our relationship with Him What if He told us how to be holy What if He told us how we are to worship Him Join us as we walk through Leviticus together chapter by chapter and see how we should live in light of God's Word We will learn what it means to be holy We will look at the offerings instructed by God and see how Jesus ultimately fulfills each We will examine the yearly feasts and discuss the importance behind each in its original context Leviticus is such a rich book Let's walk through it together Join me

Jesus in the House of the

Pharaohs Ahmed Osman, 2004-03-15 A provocative thesis that the historical Jesus was connected to the royal 18th dynasty of Egypt. Contends that Jesus, Joshua, and Tutankhamun were the same person. Provides evidence from church documentation, the Koran, the Talmud, and archaeology that the Messiah came more than a millennium before the first century C E. Shows that Christianity evolved from Essene teachings. Although it is commonly believed that Jesus lived during the first century C E, there is no concrete evidence to support this fact from the Roman and Jewish historians who would have been his contemporaries. The Gospel writers themselves were of a later generation, and many accounts recorded in the Old Testament and Talmudic commentary refer to the coming of the Messiah as an event that had already occurred. Using the evidence available from archaeology, the Dead Sea Scrolls, the Koran, the Talmud, and biblical sources, Ahmed Osman provides a compelling case that both Jesus and Joshua were one and the same, a belief echoed by the early Church Fathers, and that this person was likewise the pharaoh Tutankhamun, who ruled Egypt between 1361 and 1352 B C E and was regarded as the spiritual son of God. Osman contends that the Essene Christians, who followed Jesus' teachings in secret after his murder, only came into the open following the execution of their prophet, John the Baptist, by Herod many centuries later. Yet it was also the Essenes, who, following the death of Tutankhamun and his father Akhenaten, Moses secretly kept the monotheistic religion of Egypt alive. The Essenes believed themselves to be the people of the New Covenant established between their Lord and themselves by the Teacher of Righteousness, who was murdered by a wicked priest. The Dead Sea Scrolls support Osman's contention that this Teacher of Righteousness was, in fact, Jesus.
