Being Consumed Economics And Christian Desire:

Being Consumed William T. Cavanaugh, 2008-03-17 Should Christians be for or against the free market For or against globalization How are we to live in a world of scarcity William Cavanaugh uses Christian resources to incisively address basic economic matters the free market consumer culture globalization and scarcity arguing that we should not just accept these as givens but should instead change the terms of the debate Among other things Cavanaugh discusses how God in the Eucharist forms us to consume and be consumed rightly Examining pathologies of desire in contemporary free market economies Being Consumed puts forth a positive and inspiring vision of how the body of Christ can engage in economic alternatives At every turn Cavanaugh illustrates his theological analysis with concrete examples of Christian economic practices

The Free Market and the Human Condition Lee Trepanier, 2014-08-20 Since the Financial Crisis of 2008 there has been and continues to be a debate about the proper role of the free market in the United States and beyond On one side there are those who defend the free market as a method to provide both wealth and democratic legitimacy while on the other side are thinkers who reject the orthodoxy of the free market and call for a greater role of government in society to correct its failures But what is needed in this debate is a return to the vantage point of the human condition to better understand both the free market and our role in it The Free Market and the Human Condition explores what the human condition can reveal to us about the free market its strengths its limits and its weaknesses and in turn what the free market can illuminate about the essence of the human condition Because the human condition is multifaceted this book has adopted an interdisciplinary approach drawing upon the disciplines of philosophy theology archeology literature sociology political science criminal justice and education Since it is impossible for one to know all aspects of the human condition the book consists of contributors who approach the topic from their respective disciplines thereby providing an accumulated picture of the free market and the human condition Although it does not claim to provide a comprehensive account of the human condition as situated in the free market The Free Market and the Human Condition transcends the current climate of debate about the free market and provides a way forward in our understanding about the role that free market plays in our society

Treating Trauma in Christian Counseling Heather Davediuk Gingrich, Fred C. Gingrich, 2017-12-19 With extensive experience treating complex trauma Heather Gingrich and Fred Gingrich have brought together key essays representing the latest psychological research on trauma from a Christian integration perspective This text introduces counseling approaches trauma information and Christian reflections for students instructors clinicians and researchers alike **T&T Clark**

Handbook of Sacraments and Sacramentality Martha Moore-Keish, James Farwell, 2022-12-29 Introducing readers to the contemporary field of sacramental theology this volume covers the biblical and historical foundations a survey of the state of the discipline and a collection of constructive essays representing major themes practices and approaches to sacraments and sacramentality in the contemporary world The volume starts with a set of foundational essays that offer broad introduction to

the field of sacramental theology from contemporary scholars analysing a number of historical figures in order to illumine and inform contemporary sacramental theology The second part of the volume is dedicated to a series of essays on sacramentality and includes attention to elements of space time ritual action music and word all as aspects of what Christians have termed sacramental reality The third set of essays includes attention to each of the seven practices that have most commonly been termed sacraments in Christian traditions baptism eucharist Lord s Supper confirmation confession forgiveness and reconciliation marriage ordination and anointing The final part of this volume features scholars who are working on sacraments in conversation with contemporary academic disciplines critical race theory queer theory comparative theology and disability studies Dictionary of Scripture and Ethics Joel B. Green, Jacqueline Lapsley, Rebekah Miles, Allen Verhey, 2011-11 Leading scholars from the fields of biblical studies and ethics provide a one stop reference book on the vital relationship between Scripture and ethics **The Other Journal: The Food and Flourishing Issue** Christopher J. Keller, 2012-01-18 Issue 19 of The Other Journal examines our complex relationships with food from a theological bent The thoughtful contributors to this issue take us to Middle Earth and the Romanian city of Constanta They swing by swank Manhattan bistros and raucous NFL stadiums on game day But most importantly they return us to the communion table and to that first garden where God walked with us and gave us the gift of his creation The issue features essays by Elizabeth L Antus Peter M Candler Jr William T Cavanaugh Matthew Dickerson David Grumett Ryan Harper Chelle Stearns Stephen H Webb and David Williams interviews by Daniel Bowman Jr Heather Smith Stringer and Jon Tschanz with John Leax Lee Price and Norman Wirzba and creative writing poetry and art by Chris Anderson B L Gentry John Leax Katherine Lo Robert Hill Long Lee Price and Alissa Wilkinson **Interrupting Capitalism** Matthew A. Shadle, 2018-06-08 Interrupting Capitalism traces the history of Catholic thinking about economic life from the perspective of a theology of interruption The church s social teaching provides a way for Christians to interrupt capitalism to live out economic life faithfully in the midst of the global economy **Mere Economics** Art Carden, Caleb S. Fuller, 2025-04-01 Mere Economics points to the basic principles of economic theory with a tone that is conversational and inviting with the hope that the everyday Christian will not only discover helpful insight into the world of economics but will find within it the call for responsibility and stewardship **The Spirituality of Wine** Gisela H. Kreglinger , 2016 Wine serves an important role both in Scripture and in the Christian church but its significance has received relatively little theological attention in modern times This book fills that gap Viewing wine as a gift of God s created bounty and as a special symbol used pervasively throughout Scripture Kreglinger canvasses the history of wine in the church particularly its use in the Lord s Supper discusses the fascinating process of winemaking and considers both the health benefits of wine and the dangers of alcohol abuse Offering a vision of the Christian life that sees God in all things including the work of a vintner and the enjoyment of a well crafted glass of wine The Message of Love Patrick Mitchel, 2019-09-19 Love such a deceptively simple and popular

little word It is universally agreed that we need love to live and flourish as human beings and yet within our contemporary culture there are numerous confusing competing and evolving ideas about what love is There are few greater subjects in Christian theology than love yet it is a surprisingly complex and challenging concept to understand let alone live out faithfully Patrick Mitchel s conviction is that Christians need to be thinking about and practising love in compelling and authentic ways Our task is not only to articulate what love is but also to show to the world what true Christian love looks like in practice The only thing that counts is faith expressing itself through love Gal 5 6 NIV Mitchel s exposition explores love in the Old Testament how the love of God is supremely revealed in the mission and death of Jesus Christ love in the life and teaching of Jesus and the church s calling to be a community of love He helps us to grasp afresh the breadth depth scope and radically counter cultural nature of the Bible s teaching on love With a fully integrated study guide suitable for both individuals and groups The Message of Love will help you to see how the Bible s unified teaching on this vital theme can impact your life today
