Betrayal Never Waste A Soldier:

Betrayal James Mobley, 2015-11 The author presents his tale within the context of what is now known to history things we could not know in the period between 1965 and 1973 during which the levels of American ground combat forces in Vietnam exceeded half a million troops The war is now widely seen as a ghastly mistake claiming 60 000 of America s best He includes many historical references in the book to give the reader context for a war most don t understand Hollywood's Imperial Wars Armando José Prats, 2024-04-16 When the Vietnam War punctured the myth of American military invincibility Hollywood needed a new kind of war movie The familiar triumphal narrative was relegated to history and with it the heroic legacy that had passed from one generation to the next for more than two hundred years How Hollywood helped create and instill the American myth of heroic continuity and how films revised that myth after the Vietnam War is what Armando José Prats explores in Hollywood's Imperial Wars The book offers a new way of understanding the cultural and historical significance of Vietnam in relation to Hollywood's earlier representations of Americans at war from the mythic heroism of a film like *Sands of Iwo Jima* to the rupture of that myth in films such as *The Deer Hunter* *Apocalypse Now* and *Platoon* As early as the mid 1940s Prats suggests fears aroused by the Cold War were stirring anxieties about sustaining the heroic myth anxieties reflected in the insistent aggressive patriotism in films of the period In this context Prats considers the immeasurable cultural importance of John Wayne the cinematic apotheosis of wartime valor and righteousness whose patriotism was nonetheless deeply compromised by his not having served in World War II Prats reveals how historical and cultural anxieties emerge in well known Vietnam movies in which characters inspired by the heroes of the Second World War are denied the heroic legacy of their fathers American war movies in Prats's analysis were forever altered by the loss in Vietnam Even movies like *American Sniper* that exalt war heroes are marked as much by the failure of the heroic tropes of old Hollywood war movies as by the tragic turn of actual historical events Tracing what Prats calls the anxiety of legacy through the films of the World War II and post Vietnam War periods this book offers a new way of looking at both the Hollywood war movie and the profound cultural shifts it reflects and refracts Worship and Waste Daniel J. D. Stulac, 2025-08-14 *Worship and Waste* is the third installment in Stulac's Christological Companion series which focuses on the books of Judges Gift of the Grotesque 1 Samuel Tragedy of the Commons and now 2 Samuel As the first two volumes demonstrate Stulac's refreshing approach to biblical interpretation combines hard won exegetical insights with poignant memoir and incisive reflections on culture art and Christian spirituality Picking up the biblical storyline where *Tragedy* left off *Worship and Waste* invites readers to sink deeply into the Bible's paradoxical portrait of King David a rapist murderer caught between God's unconditional love and his own brutality Carefully avoiding moralisms Stulac guides his readers through 2 Samuel's graphic depictions of sin by insisting that the text continually looks forward to Jesus Christ the ultimate Davidic King David's Punishment thoroughly penetrates God's Promise observes Stulac but at the same time God's Promise

still governs the execution of his Punishment The two forevers of 2 Samuel are forever mixed Will David s tragedy transform into comedy before the final curtain falls Will hope survive Can a ruined House asks Stulac find within its suffering the durable Promises of God **Severed Heart** Kate Stewart,2025-06-24 Instant New York Times Bestseller Go deeper with the Ravenhood Legacy in this second installment of the sizzling darkly seductive internationally bestselling series spin off Here at last and in his own words is Tyler s story NEVER BEFORE PUBLISHED Once upon a time there lived an ambitious boy determined to become a man before his time And there lived a woman one who believed herself past the point of redemption Her scars mild in comparison to the secrets she holds Intent on his quest Tyler enlists the only person who can help him his best friend s volatile aunt Delphine A woman twelve years his senior and one he can t seem to stop fantasizing about Delphine s only goal is to shape him into the Raven soldier he needs to be But the forbidden connection between them grows It s the forging of their bond that will irrevocably change them both And for Tyler it s the loss of that love that will birth the warrior within But then nothing has ever been fair in love and war *I Could Never Be a Succubus! Volume 4* Nora Kohigashi,2024-09-20 Lisalinde and her merry friends have managed to ally with Kuon the former demon lord To negotiate the details of this alliance Sylphonia s home nation of Bahelgarn sends First Prince Anzel and Third Princess Remiphinia However a shocking truth comes to light amid these talks the hero Cain s childhood friend the former demon battalion commander Darkbringer Wolfe is apparently already acquainted with Princess Remiphinia Even worse she s smitten with him Will the heroes be able to support the young princess s love And will this stand in the way of a successful integration between the demons and the humans *The Landings at Suvla Bay, 1915* Michael J. Mortlock,2015-03-21 This work is an extensive analysis of the 1915 British landing at Suvla Bay one of the most mismanaged and ineffective operations of World War I Chapters examine the events that led to the landings on the Gallipoli peninsula provide a comprehensive report on the landings themselves and analyze the events and decisions contributing to their failure Appendices provide first hand accounts of the landings from period news articles military documents and personal correspondence From Cochise to Geronimo Edwin R. Sweeney,2012-09-24 In the decade after the death of their revered chief Cochise in 1874 the Chiricahua Apaches struggled to survive as a people and their relations with the U S government further deteriorated In *From Cochise to Geronimo* Edwin R Sweeney builds on his previous biographies of Chiricahua leaders Cochise and Mangas Coloradas to offer a definitive history of the turbulent period between Cochise s death and Geronimo s surrender in 1886 Sweeney shows that the cataclysmic events of the 1870s and 1880s stemmed in part from seeds of distrust sown by the American military in 1861 and 1863 In 1876 and 1877 the U S government proposed moving the Chiricahuas from their ancestral homelands in New Mexico and Arizona to the San Carlos Reservation Some made the move but most refused to go or soon fled the reviled new reservation viewing the government s concentration policy as continued U S perfidy Bands under the leadership of Victorio and Geronimo went south into the Sierra Madre of Mexico a redoubt from which they conducted bloody raids on

American soil Sweeney draws on American and Mexican archives some only recently opened to offer a balanced account of life on and off the reservation in the 1870s and 1880s From Cochise to Geronimo details the Chiricahuas ordeal in maintaining their identity despite forced relocations disease epidemics sustained warfare and confinement Resigned to accommodation with Americans but intent on preserving their culture they were determined to survive as a people **The Polish - American** Edward Jesko,2007-04 The author came to United States for the first time in 1943 He was then ten years old A US Navy ship brought him to San Diego California straight from a concentration camp Unfortunately the United States government did not let him remain So he went to Mexico where he lived in a refugee camp for five years When the camp was terminated he was compelled to struggle In order to survive he held many jobs At fifteen he worked as a roofer a logger and a sawmill helper neglecting his formal education because of lack of time and opportunity He immigrated to USA in 1951 This time he was allowed to stay Here because of his Polish origin he suffered rejection degradation and discrimination Here for the first time in his life he was called a Dumb Polak and a White Nigger Here he was subjected to the so called offensive Polish jokes This plus discrimination rejection and degradation made his life a never ending torment a hell on earth This autobiography was written in the form of a novel and it is a continuation of author s first book A Journey Into Exile the first part of his life **The Bystander** ,1917 Good Boys and Dead Girls Mary Gordon,2013-08-06 DIVDIVA collection of dazzling and thought provoking essays from lauded author Mary Gordon divDIV Much acclaimed for her novels Mary Gordon is also a brilliant and wide ranging essayist Gathering together twenty eight of her forays into nonfiction Good Boys and Dead Girls provides a richly autobiographical context for the themes that mark her fiction such as Irish American life Catholicism embattled families and the redeeming power of art Many of the pieces offer insights into artists and other writers There are admiring accounts of Edith Wharton Stevie Smith and Ford Madox Ford and a piquant critique of the depiction of women by certain celebrated male novelists Whatever the topic at hand Gordon proves lively and illuminating company divDIV div div
