Beyond Divorce Casualties Reunifying The Alienated Family:

Beyond Divorce Casualties Douglas Darnall, 2010-06-16 The companion to Darnall's bestselling *Divorce Casualties* *Beyond Divorce Casualties* is a workbook for severely alienated children and their parents. The book describes the how and why of unification therapy, how to prepare for reunification, how to effectively work with attorneys, mediators, parent coordinators and counselors, and even how to say goodbye if reunification is not possible. This book also provides many real life examples of alienating behavior, exercises and specific instructions for how to change your feelings and behavior. Importantly, the book's underlying assumption is that you have the power to change, even if you have no power to change the other parent.

Divorce Casualties Douglas Darnall, 2008-10-16 Some parents consciously, blatantly and even maliciously denigrate their ex-spouse through negative comments and actions. Others simply sigh or tense up at the mention of the targeted parent, causing guilt and anxiety in the children. The result is a child full of hate, fear and rejection toward an unknowing and often undeserving parent. Exploring issues such as secrecy, spying, false accusations, threats and discipline, *Divorce Casualties* recognizes the often subtle causes of alienation, teaching you to prevent or minimize its damaging effects on your children. Dr. Darnall's practical techniques for understanding the effects of alienation, including characteristics of alienators, symptoms of alienators, a self-report inventory and exercises and real life examples, will help even the most well intentioned of parents renew their commitment to helping their child maintain a healthy, happy relationship with both parents.

Toxic Divorce: A Workbook for Alienated Parents Kathleen M. Reay, 2012-07-10 Are you an alienated parent dealing with a toxic divorce? Is your former spouse making derogatory remarks about you to your children? Have your children become really angry with you? Is your ex claiming that your children don't want to see you anymore? Do your children no longer want to have anything to do with your family, friends or pets? Is your ex resisting or refusing to cooperate by not allowing you access to your children? If you answer yes to one or more questions, then parental alienation (PA) or parental alienation syndrome (PAS) may be occurring. This workbook will provide the knowledge, understanding, real life examples, step by step directions and powerful strategies to deal with the ramifications of PA or PAS. Alienated parents will learn effective ways to overcome negative thoughts, feelings and behaviors that can stand in the way of rebuilding loving relationships with their children. Mental health and legal professionals will find the information in this book extremely valuable to help their clients and work in the best interests of alienated children.
