Blood Feud Martin Rooney,2025-06-03 Lee Cain isn't a hero he's a survivor And he's nobody's bitch When terminal cancer pushes Cain to the brink an assassination attempt thrusts him back into a life of violence But this isn't a random hit someone wants Cain silenced after he stumbles on a devastating secret the billionaires profiting from cancer are also hiding its cure The shadowy organization known as Artemis will stop at nothing to protect their quest for immortality and Cain has just become their number one target Hunted through the gritty streets of New York and the blood soaked nightclubs of Mexico Cain must do the unthinkable forge a fragile alliance with La Sombra the ruthless cartel that wants him dead Navigating a deadly world where humanity's darkest ambitions come to life Cain has only his wits fists and an unflinching resolve to rely on As the lines blur between vengeance and survival Cain faces a harrowing choice save himself or risk everything to avenge the countless lives sacrificed in the name of greed Blood Feud delivers relentless action unforgettable characters and a visceral exploration of what it takes to survive Drawing from the author's background in combat sports high stakes leadership and human endurance this electrifying thriller pulls no punches Perfect for fans of Lee Child David Baldacci and Gregg Hurwitz it will leave you questioning just how far you'd go to stay alive [The Blood Feud](#) Stephen W. Snuffer,2012-09-05 The Hatfield McCoy feud of the 1880s and some time thereafter is one of the noted stories of folklore in America Today the causes of that family and friends war between the Hatfields and the McCoy's will be considered the events which led up to the tragedy There were many causes an accumulation of things which finally touched off the feud or private war which it actually was between two determined families First cause I think can be attributed to the very natures of those concerned Both families were people of nerve because blood of British origin pulsed in their veins That blood bespoke stubborn resistance and unflinching determination an unwavering set Came the Civil War of 1861-65 and neighbor lined up against neighbor In the Union corner was Randolph McCoy leader of the McCoy clan In the Confederate corner six feet of devil and 180 pounds of hell according to Randolph McCoy was Anderson Devil Anse Hatfield head of the Hatfield horde When the war ended in 1865 the internecine feelings of these two neighboring families only the narrow Tug River separated them did not make for friendly relations Indeed it had been rumored that Devil Anse Hatfield in the course of his warfare sometime before the Civil War ended had slain Harmon McCoy a brother of Randolph McCoy This rumor was never proven In fact some stated that Jim Vance later to die in the feud as a friend of the Hatfields was the one who murdered Harmon McCoy Whoever killed Harmon McCoy is unknown for sure even to this day but one thing is sure his death created ill feeling between the McCoy's and the Hatfields from the McCoy corner of course A third cause of the feud was a family quarrel which wound up in the court of a justice of the peace That was eight years after the Civil War had ended In those days in the rugged regions of the Tug the people let their hogs run loose and fatten on the mast of nut bearing trees chestnut acorn hazel and other trees [Bloodfeud](#) Richard Fletcher,Richard A. Bloodfeud in Scotland 1573-1625 Keith M. Brown,2003-11-24 Feuding had an effect on the history of most of Europe Scotland provides a fascinating focus for the study of the bloodfeud because feuding survived until remarkably late there and thus is much better documented than in other European societies This examination of the Scottish evidence shows its relevance to the wider European community to which the Scots belonged reveals much about the nature of the bloodfeud in general and explores the changes in society which at last brought about its suppression The bloodfeud has been the subject of anthropological rather than historical investigation partly because it largely disappeared at an early stage in the development of literacy in Europe and has never been a fashionable research topic for historians In this study of fifteenth and sixteenth century feud in Scotland Keith Brown focuses on its context in society politics and the ideology that served to uproot the tradition The book will be of value to historians of many different cultures and periods

The Kurdish National Movement Wadie Jwaideh,2006-06-19 A seminal work in the field of Kurdish studies Wadie Jwaideh s pioneering research published for the first time presents a detailed analysis of the early phases of Kurdish nationalism and offers a framework within which to understand the movement s later development Following Wadie Jwaideh s dissertation defense his doctoral chairman took aside Jwaideh s wife Alice and asked her to submit the work for publication without Wadie s permission believing that Wadie s penchant for perfection would postpone its publication indefinitely The thesis was never published during Jwaideh s lifetime but its fame spread by word of mouth and many scholars have recognized its importance not only as a study of the earlier periods of Kurdish nationalism but also as a model for understanding its subsequent history The work now stands as a classic referenced by some of the most renowned scholars in the field Its publication will permit it to reach a greater audience and to contribute more fully to the understanding and appreciation of this geopolitical and cultural movement Jwaideh was born in the southern Iraqi city of Basra into an Arabic speaking Christian family that later moved to Baghdad His intimate knowledge of the land and its people gave Jwaideh shrewd insight into Kurdish society and politics Exploring the rich historical roots of the Kurdish national movement he challenges the established view of the early Kurdish uprisings as isolated incidents triggered by economic hardship or political dissatisfaction Instead he offers a new interpretation of the Kurds nationalist position convincingly demonstrating the age and depth of their grievances This complex and layered history of the Kurdish nationalist movement offers a valuable perspective from which to view the current conditions in Iraq Jwaideh s sensitive and prescient treatment of this region gives his study great contemporary relevance
