Blood Will Tell A True Story Of Deadly Obsession:

Blood Will Tell Joseph Bosco, 1993 In the early morning of February 24 1984 Janet Cannon Myers a beautiful young mother poet and dancer was found dead lying amid an explosion on her living room floor There were only two men in the whole world who could possibly have committed the deed her husband Kerry and one of his closest friends Bill Fontanille The media blitz immediately after the murder featured stories of a badly injured grieving husband an all night fight and hostage situation as he vainly tried to protect his family his desperate call to the police and charges against Bill Fontanille the scorned lover for attacking Kerry Myers almost killing his two and a half year old son and bludgeoning to death Kerry's wife But upon close examination of Kerry's and Bill's statements to the police the prosecutor's office found a troubling coincidence Their accounts of what happened were virtual mirror images the stories all but identical except that each accused the other of attacking him with either a knife or a bat immediately upon entry into the Myers house that late Thursday afternoon Each man vowed his innocence in fact each man said he hadn't even seen Janet during that long evening much less her corpse After four grand juries and three trials over seven years both men were sent to prison yet no one including the judge and jury who convicted them and the district attorney's office that prosecuted them has been able to determine who did what to whom and why Perhaps until now that is Through hundreds of interviews exhaustive research in thousands of pages of documents and exclusive access to both Kerry Myers and Bill Fontanille Joe Bosco has done what the media the courts and all the family members and friends of the victim and the suspects have never been able to do break open the sordid vault that holds so many of even the best family's secrets and lay bare all that is necessary for you to understand and then render your verdict upon what actually happened that horrific night **Blood Will Tell** is the story of a quiet New Orleans suburb whose deceptive calm is shattered by unimaginable savagery a world where seemingly perfect marriages cover up histories of constant abuse where close friendships are betrayed for sex where loyalty and love are forgotten in the grip of ambition and greed Bosco sketches indelible portraits of the victim and the accused exposing passions and flaws that made this tragedy inevitable **Blood Will Tell** is also a riveting legal thriller a page turning succession of back and forth accusations of judgments and reversals of court opinions For ten years this extraordinary case has gripped New Orleans Hollywood and the national media With the shattering revelations in this book it is certain to endure as a legal phenomenon and a landmark in the U S criminal justice system for decades to come **BOOK JACKET Title Summary** field provided by Blackwell North America Inc All Rights Reserved
