Heiser,2020-04-29 The truth about demons is far stranger and even more fascinating than what s commonly believed Are demons real Are they red creatures with goatees holding pitchforks and sitting on people s shoulders while whispering bad things Did a third of the angels really rebel with Satan Are demons and principalities and powers just terms for the same entities or are they different members of the kingdom of darkness Is the world a chaotic mess because of what happened in Eden or is there more to the story of evil What people believed about evil spiritual forces in ancient biblical times is often very different than what people have been led to believe about them today And this ancient worldview is missing from most attempts to treat the topic In *Demons* Michael Heiser debunks popular presuppositions about the very real powers of darkness Rather than traditions stories speculations or myths *Demons* is grounded in what ancient people of both the Old and New Testament eras believed about evil spiritual forces and in what the Bible actually says You ll come away with a sound biblical understanding of demons supernatural rebellion evil spirits and spiritual warfare *Farmers and Consumers Market Bulletin* ,2008 The Billboard Albums Joel Whitburn,2006 A 50 year
