Robert Berndt, 2013-06-25 In this write up I try to capture the feel of hunting in different countries for game that is indigenous to these locales, experience new and different cultures and to hunt unique and unfamiliar animals. I have hunted extensively throughout the countries of Africa, my favorite location but have also been lucky to have had the opportunity to hunt in many other countries throughout Europe, the South Pacific and North America. While I don't describe all of my hunts in this book, I have tried to highlight a mixture of my hunting adventures that took me to the most storied, remote and exotic locations to hunt and capture memories. *50 Westerns - The Best Adventures, Gunfight Duels, Battles, Rider Trails & Legendary Outlaws*
