from Christ It s not fiction It s prophecy The Messiah of the New Age His coming is prophesied by more than a dozen major religions Cloned from live cells of Jesus Christ found on the Shroud of Turin Christopher Goodman was born into the most turbulent time in human history Already two nuclear holocausts have shaken the planet the first destroying much of the Russian Republic and the second killing nearly a billion people in China India and Pakistan Unknown to the world s inhabitants an even greater threat is waiting just beyond Earth s horizon a threat that may annihilate the entire human race Three asteroids are hurtling toward the planet thrown from their orbits by the supernatural powers of two religious madmen one who claims to be the 2000 year old Apostle John Fated to remain alive from biblical times until Christ s return the Apostle John has awaited fulfillment of the visions he described in the book of Revelation But John and his cohort apostate Hasidic rabbi Saul Cohen are not satisfied to merely witness the Apocalypse they intend to cause it Though Christopher can stop the destruction he must allow it to happen for he says that scattered throughout the Bible and other religious texts are clues pointing to an incredible hidden truth a secret of devastating universal importance that reveals the astonishing future of man and the true nature of God It is far more than life and death that hang in the balance It is the fulfillment of galactic destiny humankind s final evolutionary step the birth of a New Age PRAISE FOR THE CHRIST CLONE TRILOGY

Plotting Apocalypse Jennie Chapman, 2013-09-12 It is the not too distant future and the rapture has occurred Every born again Christian on the planet has without prior warning been snatched from the earth to meet Christ in the heavens while all those without the requisite faith have been left behind to suffer the wrath of the Antichrist as the earth enters into its final days This is the premise that animates the enormously popular cultural phenomenon that is the Left Behind series of prophecy novels co written by Tim LaHaye and Jerry Jenkins and published between 1995 and 2007 But these books are more than fiction it is the sincere belief of many evangelicals that these events actually will occur soon Plotting Apocalypse delves into the world of rapture prophecy and tribulation in order to account for the extraordinary cultural salience of these books and the impact of the world they project Through penetrating readings of the novels Chapman shows how the series offers a new model of evangelical agency for its readership The novels teach that although believers are incapable of changing the course of a future that has been preordained by God they can become empowered by learning to read the prophetic books of the Bible and the signs of the times correctly Reading and

interpretation become key indices of agency in the world that Left Behind limns Plotting Apocalypse reveals the significant cultural work that Left Behind performs in developing a counter narrative to the passivity and fatalism that can characterize evangelical prophecy belief Chapman s arguments may bear profound implications for the future of American evangelicalism and its interactions with culture society and politics Birth of an Age James BeauSeigneur,1997 Cloned from the ancient cells of Jesus Christ Christopher Goodman is forced to sit back and watch the destruction of Earth in order to fulfill his destiny **Cloning** Stephen D. Fairbanks,2004 The terms recombinant DNA technology DNA cloning molecular cloning or gene cloning all refer to the same process the transfer of a DNA fragment of interest from one organism to a self replicating genetic element such as a bacterial plasmid The DNA of interest can then be propagated in a foreign host cell This technology has been around since the 1970s and it has become a common practice in molecular biology labs today Reproductive cloning is a technology used to generate an animal that has the same nuclear DNA as another currently or previously existing animal Dolly was created by reproductive cloning technology In a process called somatic cell nuclear transfer SCNT scientists transfer genetic material from the nucleus of a donor adult cell to an egg whose nucleus and thus its genetic material has been removed The reconstructed egg containing the DNA from a donor cell must be treated with chemicals or electric current in order to stimulate cell division Once the cloned embryo reaches a suitable stage it is transferred to the uterus of a female host where it continues to develop until birth Therapeutic cloning also called embryo cloning is the production of human embryos for use in research The goal of this process is not to create cloned human beings but rather to harvest stem cells that can be used to study human development and to treat disease Stem cells are important to biomedical researchers because they can be used to generate virtually any type of specialised cell in the human body This new book presents an up to date Chronology of Cloning along with current and selected abstracts dealing with cloning as well as a guide to books on the topic Access to the abstract and books sections is provided by title subject and author indexes

Christopher was born In Israel an unexpected threat to Christopher s ascension is growing two men possessed of incredible supernatural powers one claiming to be the 2000 year old Apostle John the other an apostate Hasidic rabbi named Saul Cohen Together the men lead an outlawed cult of 144 000 followers each branded with the names Yahweh and Yeshua on their foreheads PRAISE FOR THE CHRIST CLONE TRILOGY BeauSeigneur knows how to write deploying a tough driving style in perfect cadence Booklist Starred Review Astoundingly intelligent inventive dizzyingly well described Kirkus Reviews Starred Review Undeniably riveting daring wonderfully creepy Readers will be enthralled by the author s science fortified vision of the Apocalypse Publishers Weekly PUBLICATION HISTORY IN HIS IMAGE is Book One of a revised expanded and re edited release of THE CHRIST CLONE TRILOGY originally published in 1997 by SelectiveHouse and in 2003 by Warner Books This new edition includes a Study Guide and an extensive Prophecy Cross Reference THE CHRIST CLONE TRILOGY has been translated and published in 12 languages Book Two is BIRTH OF AN AGE Book Three is ACTS OF GOD
