The Epiphany Machine David Burr Gerrard, 2017-07-18 Best New Science Fiction for Summer by The Washington Post
A Most Anticipated book of 2017 by The Millions Everyone else knows the truth about you now you can know it too That's the slogan The product a junky contraption that tattoos personalized revelations on its users forearms It's an old con playing on the fear that we are obvious to everybody except ourselves This particular ad has been circulating New York since the 1960s and it works But oddly enough so might the device A small stream of city dwellers buy into this cult of the epiphany machine including Venter Lowood's parents This stigma follows them when they move upstate where Venter can't avoid the whispers of teachers and neighbors any more than he can ignore the machine's accurate predictions his mother's abandonment and his father's disinterest So when Venter's grandmother finally asks him to confront the epiphany machine and inoculate himself against his family's mistakes he's only too happy to oblige Like his parents before him Venter is quick to fall under the spell of the device's sweat stained profane and surprisingly charming operator Adam Lyons But unlike them Venter gets close enough to Adam to learn a dark secret There's an undeniable pattern between specific epiphanies and violent crimes And Adam won't jeopardize the privacy of his customers by alerting the police It may be a hoax but that doesn't mean what Adam is selling isn't also spot on And in this sprawling snarling tragicomedy about accountability in contemporary America the greater danger is that Adam Lyon's apparatus may just be right about us all This is can't miss pop culture Vox **Adam Lyons** Ronald Russell, Alex Medvedev, 2017-10-14 Biography of Adam Lyons currently Founder CEO at The Zebra previously Advisor at AlphaLab and Advisor at AlphaLab **Municipal Register of the City of Hartford ...** Hartford (Conn.), 1903
