Developing Clinical Proficiency in Athletic Training

Kenneth L. Knight, Kirk Brumels, 2010 Developing Clinical Proficiency in Athletic Training A modular approach 4th edition presents a modular approach consisting of three levels and 147 modules that guide students in an athletic training program through educational competencies It does not teach skills but rather organizes them into a system for progressive development and assessment Emphasizing the clinical learning process experiences and education this edition which was

previously titled Assessing Clinical Proficiencies in Athletic Training contains 27 new modules three new groups of modules on developing clinical skills the body injury and illness pathology exercise and disease the body's response to injury and professional development and a new module on foundational behaviors of professional practice added to all three levels It integrates the 2006 National Athletic Trainers Association Athletic Training Educational Competencies *Athletic Training Student Primer* Andrew P. Winterstein, 2024-06-01 *Athletic Training Student Primer A Foundation for Success Third Edition* is a dynamic text that provides students with a foundation upon which they can build their athletic training knowledge and develop an authentic understanding of the rewards and challenges of the athletic training profession The Third Edition of *Athletic Training Student Primer A Foundation for Success* by Andrew P Winterstein builds upon previous editions in providing a mix of foundational athletic training knowledge coupled with human interest information to help guide students in their decision making process when contemplating a career This Third Edition breaks the mold of other introductory athletic training texts by including answers to many real life athletic training situations The Third Edition is broken into four sections that cover all different aspects of the profession Understanding athletic training Common injuries and conditions Planning prevention and care Preparing for success Further expanding the learning process included with each new textbook purchase is access to a companion website that includes videos a glossary and various web resources Updated Features Include New injury spotlights for the upper and lower extremity and general medical conditions Updated information from athletic training students on keys to success New career spotlights from athletic trainers working in a broad range of career settings Updated information on historic changes in athletic training including the upcoming transition to master's degree for professional preparation Updated web resources Additional resources for instructors Complete redesign of text layout and updated images *Athletic Training Student Primer A Foundation for Success Third Edition* is a must have for students taking the first step into a career in athletic training **Athletic Training Case Scenarios** Keith Gorse, Francis Feld, Robert Blanc, 2024-06-01 Every case that athletic trainers respond to is unique but by exposing themselves to a variety of scenarios they can be prepared for almost any situation Case studies are the easiest way to find this information but oftentimes they come in the form of informal anecdotes or only relate to very specific subjects *Athletic Training Case Scenarios Domain Based Situations and Solutions* is designed to fill this gap by providing a large number of studies from all five of the domains of athletic training Keith M Gorse Francis Feld and Robert O Blanc have gathered true to life scenarios for each of the five domains of athletic training resulting in expert advice on the best response to many possible scenarios These scenarios were shared by the certified athletic trainers who originally responded to them coming from their work in industrial settings high schools colleges professional teams and sports medicine clinics Each scenario features the actual case as it was first assessed by the athletic trainer in order to give readers an opportunity to use their own judgment and decide the best course of action before the original athletic trainer's own response and recommendations are given Organized by domain readers will be able

to easily find examples of any case they could imagine Each domain prevention evaluation and diagnosis emergency care treatment and rehabilitation and organizational and professional health has over a dozen scenarios designed to encourage critical thinking This format gives readers the closest thing to a crash course by exposing them to a diverse array of cases and situations Athletic training students and clinicians will appreciate the wide range of cases presented in Athletic Training Case Scenarios Domain Based Situations and Solutions providing them with the strong knowledge base they will need to respond to any situation they may experience themselves

Fundamentals of Athletic Training Lorin Cartwright, William A. Pitney, 2011 This work explains concepts in athletic training and presents injuries and illnesses encountered by certified athletic trainers The book discusses various conditions illnesses and diseases along with information on nutrition and the effects of therapeutic recreational and performance enhancing drug use

The Athletic Trainer's Guide to Differential Diagnosis Sharon Clark, Andrew P. Winterstein, 2024-06-01 As educators we strive to teach students to think critically and to commit to a diagnosis the ability to make that commitment is one of the most difficult steps for clinicians in training With many possible injuries and conditions and an equally large number of diagnostic elements a clear and logical method is needed The Athletic Trainer's Guide to Differential Diagnosis A Visual Learning Approach provides an approach that helps the reader sort through the possibilities and think about the clinical evaluation within a clinical thinking framework using a visual mapping approach The Athletic Trainer's Guide to Differential Diagnosis is not designed to be a how to evaluation text Rather it is designed to create a framework that allows the reader to think differently about differential diagnoses access existing knowledge in anatomy and clinical evaluation and assess information for the purpose of making higher order clinical decisions Dr Andrew P Winterstein and Sharon V Clark have organized The Athletic Trainer's Guide to Differential Diagnosis by body part as well as by location in the body The reader will be able to examine the possible diagnoses by location and approach the evaluation in a more focused and organized fashion This method of evaluation also allows the reader the opportunity to apply evidence based principles to the clinical evaluation process The Athletic Trainer's Guide to Differential Diagnosis takes a visual learning approach with an emphasis on diagrams tables and boxes to illustrate the visual evaluation framework In addition each chapter offers a clinical case to provide a springboard for approaching the differential diagnosis process The Athletic Trainer's Guide to Differential Diagnosis A Visual Learning Approach will enhance the athletic training student and clinician's critical thinking skills as well as be an excellent resource for self assessment and preparation for certification

Athletic Training Student Primer Andrew P Winterstein, PhD, Atc, Andrew P. Winterstein, 2009 The Athletic Training Student Primer A Foundation for Success is a dynamic text that supplements the core concepts terminology and educational requirements of athletic training with the combination of academic and clinical education to establish a foundation of knowledge This valuable resource is designed for both prospective and current athletic training students Topics include the history of the National Athletic Trainers Association diversity employment settings emerging trends and

educational resources Unlike other introductory athletic training texts much of the information is derived from interviews with a diverse group of professionals This method allows for insight and advice on work environments ethics professional preparation maximizing clinical education opportunities and building a successful career The reader is provided with a multitude of answers to many real life athletic training situations To further facilitate learning an interactive website companion has been developed to complement the text Through this website you will find a range of helpful features including web resources pertaining to the corresponding chapter topics flash cards teaching important concepts and quizzes testing the knowledge presented The Athletic Training Student Primer A Foundation for Success effectively blends the core concepts in athletic training with guidance on the human elements of the profession to provide a springboard for future study
