Advancing Kingdom Purposes Through Prophetic Intercession:

Advancing Kingdom Purposes Through Prophetic Intercession Ellen Laitinen, 2010-01-25 Advancing Kingdom Purposes Through Prophetic Intercession is designed to connect two points prophetic intercession and effective ministry One of the critical elements in this advance is the synergy created when pastors and prophetic intercessors are properly connected and in alignment with God's divine purposes Why another book on prayer Although prayer in general is becoming increasingly more important among churches prophetic intercession is still a relatively new concept in how this intercessory role can be a tremendous blessing in the life of the local church Advancing Kingdom Purposes through Prophetic Intercession is a valuable resource for both pastors and intercessors in bringing clarity to this unique form of intercession Contained within these pages are five basic themes Ellen's personal journey of how she transitioned from being a person of prayer to a prophetic intercessor and watchman Defining what prophetic intercession is and how it helps to advance the kingdom Understanding God's true heart and motivation for this intercessory role Identifying the common misperceptions between the pastoral leadership team and prophetic intercessors Understanding how God has intended pastors and prophetic intercessors to partner together in fulfilling the great commission *The Powerful Kingdom - Book 2 (The Revealed Kingdom 3-Book Series)* Mark Loretz, 2024-01-06 I have found sowing seed thinking it was good ground and hoping for a return is not what the Kingdom is but pressing in waiting listening and growing in my relationship with the Holy Spirit and being obedient to His prompting has revealed the reality of The Kingdom which is within me Within these pages Mark has managed to coerce the reader to delve deeper into their relationship with the Father to find the lustrous pearl and compel you the purchaser to sell everything to possess it The writings expose the gap between the child like faith illustration Jesus used of the Kingdom of heaven belonging to children to the reality in adulthood of what it entails and the availability as Jesus taught in His Prayer The challenge has been to understand again that it is in seeking first His Kingdom and His Righteousness which reveals the ultimate Pearl of Great Worth Jesus Christ and His Kingdom *The Emerging Daniel Company* Aaron Evans, 2010-04 The Emerging Daniel Company is a unique book for the times we are in It has a present Word that contains spiritual substance and life This book is not for the complacent who desire the status quo It is for those described in Daniel 11:32-33 but the people who know their God shall be strong and carry out great exploits And those of the people who understand shall instruct many This book challenges leadership to go beyond our current spiritual maturity unity and purity Understanding the times and what to do to help others transition into the new thing that the Lord is doing Our prayer is that the Spirit of Understanding be imparted and released in your life as you read and study this book If your spiritual DNA is to be an overcomer and to inherit the Kingdom of God then this book is for you Aaron Evans Emerging Daniel Company International Aaron together with his wife Jill Marie have formed a kingdom building team that the Lord is using to empower a generation who loves God and desires to fulfill their destiny He often finds himself in the role of spiritual father visionary mentor and

friend With these attributes he helps this emerging generation to walk in divine wisdom understanding and counsel As a kingdom consultant Aaron counsels with various levels of leadership in the church environment as well the marketplace Currently Aaron and his family maintain residences in the southern Atlanta area and north of Boston For more information www.emergingdanielcompany.com

A Portrait of Intercession D. Spencer Mark D. Spencer, Mark D. Spencer, Mark D. Spencer, 2010-02 A Portrait of Intercession is a collection of articles often prophetic in nature dealing with various aspects of intercession Each chapter will at once challenge the believer to go not only the first mile with Jesus but willingly and joyfully press on in true and vital fashion overcoming faith to go the second mile with Him in prayer and intercession A Portrait of Intercession is a series of challenges calling the believer to stretch out in believing and bold faith It is a call to a more intense and intimate relationship with Jesus to see His vision for the nations and to hear His heart for the peoples of the world Intercession is of necessity a hidden ministry Its labors may be seen only by a few but it is recognized and welcomed at the Throne of Grace It is possibly the most noble of ministries and surely the most noble of the various forms of prayer Intercession willingly joins us with Jesus in His never ending ever watchful prayer for His people It is a selfless praying which readily enters into Christ's sufferings that is our joining with Him in His divine laboring at the expense of our own wants and desires
