Open Wide the Gates Brian D. Cunningham, 2023-10-13 The culture wars show no sign of abating Same sex sexuality continues to be one of the most brutal and bloody fronts in those wars and Christians the fiercest combatants Friendships families churches and denominations continue to draw their lines in the sand split and go their separate ways Meanwhile the lives of many young and old are deeply scarred and some even lost in the crossfire It doesn't have to be that way Challenging the arguments that perpetuate that conflict Open Wide the Gates presents a carefully developed biblical theological and ethical argument for the welcome affirmation and inclusion of gays and lesbians in the life and ministry of the local church Its irenic tone and clearly articulated presentation provides pastors denominational leaders and concerned laypeople with a reliable guide for navigating these often turbulent waters In this comprehensive study Brian D Cunningham points to a path forward a path for following Jesus in the twenty first century characterized by grace love and hope a path that demonstrates the radical presence of God's kingdom here on earth for all people regardless of their sexual orientation

Bookseller and the Stationery Trades' Journal, 1914 **Publishers Weekly**, 1980 **International Journal of Religious Education**, 1924 The History of Salt Lake City and its Founders, Volume 2 Edward William Tullidge, 2019 Tullidge's monumental work on the beautiful desert metropolis its history and growth its evolution and its most significant troubles is obviously also a history of Mormonism and its growth and development in Utah written by authority of the Council and under supervision of its Committee on Revision and therefore giving a picture of Mormonism in the most

favorable light in which it is possible to present the institution to the public There are too many outside evidences of material prosperity and thrift everywhere to be seen in the resourceful valley where the Mormon emigrants from Illinois and Missouri began to make their home in July 1847 and the vitality of the community has been too plainly manifested on many occasions for any one easily to escape the conclusion that the Mormon question as it is called is still one of no insignificant importance Why and how it has become of such material significance is probably more fully explained in thus volume than in any other one work published This is volume two out of two *The Bookseller and the Stationery Trades' Journal* ,1861 Official organ of the book trade of the United Kingdom **Congregational Hermeneutics** Andrew P. Rogers,2016-05-20 Despite many churches claiming that the Bible is highly significant for their doctrine and practice questions about how we read the Bible are rarely made explicit Based on ethnographic research in English churches Congregational Hermeneutics explores this dissonance and moves beyond descriptions to propose ways of enriching hermeneutical practices in congregations Characterised as hermeneutical apprenticeship this is not just a matter of learning certain skills but of cultivating hermeneutical virtues such as faithfulness community humility confidence and courage These virtues are given substance through looking at four broad themes that emerge from the analysis of congregational hermeneutics tradition practices epistemology and mediation Concluding with what hermeneutical apprenticeship might look like in practice this book is constructively theological about what churches actually do with the Bible and will be of interest to scholars students and practitioners *The Church School Journal* ,1916
