**Adventures in Colurland** Jeff Acosta, 2007-06 *Adventures in Colurland: A New Beginning* takes readers on a magical journey throughout the wonderful world of imagination. Four friends Sarah, Jeff, Brett, and Michelle travel to Colurland. All the creatures are imaginary friends, and Colurland is the place where they go when they need a home. To get there, Sarah has a magical zipper. When it is opened, they jump into a magical portal and float down to Colurland. As they float down, they pass by images of their friends and family. When they enter the world of Colurland, they are met up by a cloud named Cloudy and two guards. As they pass through the gate, they then meet Oswald, Jenny, and Razaul. We all learn that there are four species of imaginary friends. In the Colurland Airport, they meet Captain Birthday and his crew. Humphrey, the sea serpent, takes them under the sea. Sarah and the others meet the wisemen of the land, Yack, Magic Spark, and Beaker. Farmer Joe puts on a hoedown. They see a circus. They learn that dinosaurs are good friends. On Colurway, they see a recording of a TV show. They are taught a game called the Circle Game. Sarah and the others visit Nightmare Castle, and they realize that it's a mistake to go there. They wind up on Colurway again and end their visit to Colurland by watching the new musical *DOGS*. When it was time for them to go home, they were waiting for Cloudy, but he ended up getting sick and wasn't able to help them. Beaker then appears and tells them about the ability to fly. Sarah, Jeff, Brett, and Michelle realize that they could all fly. While flying home, Oswald, Jenny, and Razaul joined them and wonder what their next adventure would be like. *Furniture Record*, 1926
